RECEIVED
DEC 07 2019
STATE OF HAWAII
LAND USE COMMISSION

To whom it may concern at the Land Use Commission,

We would love the opportunity to buy an affordable single family home on Maui, especially here on the west side. My husband and I both work in the restaurant industry and can't afford to purchase a single family home.

We would like the review process extended to allow a more, full detailed review of the project. We do not want another strip mall.

Thanks,
Danielle Gaveglio
