Re: "Ko'olau Poko Sustainable Communities Plan Update"
Support for Hawaiian Memorial Park Cemetery Amendment

Dear Mr. John Whalen:

Information has been provided to me by Hawaiian Memorial Park Cemetery which addresses community questions regarding HMPC's amendment to the Ko'olau Poko Sustainable Communities Plan.

I have reviewed Hawaiian Memorial Park Cemetery's information brochure addressing community questions and appreciate that Hawaiian Memorial has been transparent about their proposed future area for cemetery use. Hawaiian Memorial Park Cemetery has been part of the Windward Community for over 50 years, serviced thousands of Hawaii's local families, supported local businesses, and has always acted as a good neighbor in the community.

I support Hawaiian Memorial and I believe they should be granted the amendment to the Ko'olau Poko Community Sustainable Plan.

Re: Support for Hawaiian Memorial Park Cemetery

Dear Mr. John Whalen

Aloha Mr. Whalen, I am writing this letter for support in the expansion of Hawaiian Memorial Park Cemetery. I humbly feel that the cemetery is in great need of growth. I believe that people, like myself, of the community, should have the right to be buried or put to rest the way they want to. I also believe that as a Hawaiian family is everything and Hawaiian Memorial Park Cemetery is a resting place for my entire Oiaha. I myself and my children would like to be put to rest w/ our ancestors that are at Hawaiian Memorial Park Cemetery. I SUPPORT THE EXPANSION. Thank you very much for taking the time to listen to my concerns.

Thank You,
Deey K. Atanga

Re: Support for Hawaiian Memorial Park Cemetery

Dear Mr. John Whalen

Hawaiian Memorial Park Cemetery has been a part of the community for decades. It has also been a part of my life through my adolescent years. I have learned to drive there, hung out with friends there and enjoyed the ambience when I needed to think about things.

I sincerely hope it will continue to provide support for future families in whatever their needs may be.

Sincerely,
Andrew Choi

Re: "Kolo'ole" Polks Sustainable
Communities Plan Update

Dr. Mr. John Whalen,

I am the proud owner of 3 Cemetery plots
at Hawaiian Memorial Park Cemetery. I understand
the proposed expansion of HMPK has been turned
down due to various reasons.

As far as I remember no new cemeteries
has been developed for at least 30 yrs. And the
major cemeteries has been filling quite rapidly.
I would think most people would logically
want some kind of cemetery development for
the future use of coming generations.

My extended family would someday need
cemetery plots and if HMPK is filled, that would
be a disappointment to them.

Please reconsider this vital concern
as it affects many families present & future

Yours Truly

Re: Support for Hawaiian Memorial Park Cemetery

Dear John:

I have friends buried at Hawaiian Memorial Park Cemetery. My family and I also have our own pre-planting plots with them too.

My family & I love the same Hawaiian Memorial Park Cemetery which are peaceful and beautiful, and also maintain. But we all can see some gardens are filled already. We all worried about the people in future are no more plots to use.

Please hear our voice to support Hawaiian Memorial Park Cemetery's development proposal.

Thank you very much
Sincerely yours,
Tommy Chong

Re: Support for Hawaiian Memorial
Park Cemetery

Dear Mr. John Whalen,

Though I'm not a resident of Kaneohe, I have many family members who are interred here at HMPK. One of which is my dear mother who passed at a young age of 47. I was only 21, now 40.

My family cemetery of 3 brothers and two sisters along with my father found it easy to decide which cemetery we were going to use for them. Her favorite flower is the Pikake so she is laid to rest in the Pikake Circle portion of HMPK. Well must garden no longer has availability so the rest of the family must be able to rest along side her.

If ~~the~~ Hawaiian Memorial Park Cemetery is given approval to expand there will be more spaces available so the rest of us can be together. Please find it in your heart to make this happen for the people of Hawaii.

As a member of the community and someone who has loved ones buried at HMPC I feel it is very important for the families of Oahu that this expansion be allowed to move forward. Re: Hawaiian Memorial Park Cemetery Expansion

Dear Mr. John Whalen:

I would like you to please consider approving the expansion of Hawaiian Memorial Park Cemetery. As someone who has friends and family buried at HMPC, I see the importance of families being laid to rest in the same proximity. Should HMPC run out of room, I believe that it would cause great anguish in some families not to be able to be buried with or by their loved ones.

As we all know, land is such an issue in Hawaii. HMPC already has the land available for this expansion. They just need the approval to move forward with their project to provide Hawaii's families with peace of mind in the assurity that they can stay together with their friends and families eternally.

Please consider this request.

Thank you for your time.

Sincerely,

Sandee Honing
