

Mr. John Whalen.

I have heard of the request of Hawaiian Memorial Park Cemetery to add more burial sites having been to the cemetery and seeing how well it is kept I can only envision what a beautiful and useful this new area will be.

Having been on the planning board in my former hometown I know & understand the process you must consider to make your recommendation for any change to the status quo.

The only advice I can offer is the motto that was on the wall of my city hall and suggest you use it as your guide

"Build not for today - Build for tomorrow"

With this in mind I would strongly recommend you support this plan and allow for the creation of more cemetery space.

RE: SUPPORT FOR HAWAIIAN MEMORIAL
PARK CEMETERY

Dear Mr. John Whalen:

I am writing to you to give my support for Hawaiian Memorial Park Cemetery. As a member of the community, I feel that this expansion will greatly benefit us. In this day and age, much of our culture have been slowly taken away. The demise of this expansion would be another way of doing that. Families need the piece of mind that they would be together in life and in death. The jobs that the cemetery provide also help our families in their livelihood. The business and patronage that the cemetery brings to our local stores and restaurants tremendously impact our economy. We feel very respected and supported by the Cemetery. They have given us tremendous comfort that our families will be taken care of. PLEASE DON'T TAKE THAT AWAY!

Thank you,

Grace Hanis

Re: "Ko'olau Poko Sustainable Communities Plan Update"
Support for Hawaiian Memorial Park Cemetery Amendment

Dear Mr. John Whalen:

Information has been provided to me by Hawaiian Memorial Park Cemetery which addresses community questions regarding HMPC's amendment to the Ko'olau Poko Sustainable Communities Plan.

I have reviewed Hawaiian Memorial Park Cemetery's information brochure addressing community questions and appreciate that Hawaiian Memorial has been transparent about their proposed future area for cemetery use. Hawaiian Memorial Park Cemetery has been part of the Windward Community for over 50 years, serviced thousands of Hawaii's local families, supported local businesses, and has always acted as a good neighbor in the community.

I support Hawaiian Memorial and I believe they should be granted the amendment to the Ko'olau Poko Community Sustainable Plan.

Re: "Ko'olau Poko Sustainable Communities Plan Update", Support for Hawaiian Memorial Park Cemetery Amendment

Dear Mr. Whalen:

I am a Taoist priest for over 30 years. In many of those years, I have worked with Hawaiian Memorial Park as there is a large section set aside for Chinese cemetery. I have been very satisfied working with Hawaiian Memorial Park because they are respectful for all the different cultures and religions. In fact, Hawaiian Memorial Park consulted with me when they built the new Ocean View section to ensure that the place was balanced; the wind and water.

Initially I had some concerns about the Hawaiian Memorial Park expansion because of my concern about protecting the Heiau. I am very satisfied with their plans to protect and preserve the Heiau. Many of my family members are buried at Hawaiian Memorial Park cemetery and I support the expansion because there is no more room in the old section of the cemetery.

This month is the Qingming Festival, a time when the Chinese respect their ancestors and visit the grave. Every weekend the cemetery is packed with people and food as families go to respect and visit the graves. I support the expansion of Hawaiian Memorial Park.

Sincerely,

Duane Pang

Re: "Ko'olau Poko Sustainable Communities Plan Update"
Support for Hawaiian Memorial Park Cemetery Amendment

Dear Mr. John Whalen:

Information has been provided to me by Hawaiian Memorial Park Cemetery which addresses community questions regarding HMPC's amendment to the Ko'olau Poko Sustainable Communities Plan.

I have reviewed Hawaiian Memorial Park Cemetery's information brochure addressing community questions and appreciate that Hawaiian Memorial has been transparent about their proposed future area for cemetery use. Hawaiian Memorial Park Cemetery has been part of the Windward Community for over 50 years, serviced thousands of Hawaii's local families, supported local businesses, and has always acted as a good neighbor in the community.

I support Hawaiian Memorial and I believe they should be granted the amendment to the Ko'olau Poko Community Sustainable Plan.

Re: "Ko'olau Poko Sustainable Communities Plan Update"
Support for Hawaiian Memorial Park Cemetery Amendment

Dear Mr. John Whalen:

I have reviewed Hawaiian Memorial Park Cemetery's expansion plan proposal and I support their project.

Hawaiian Memorial Park Cemetery has been part of the Windward Community and has served families across Oahu for over 50 years.

Cemeteries play an important role for the families of Hawaii.

Hawaiian Memorial Park Cemetery should be granted their requested amendment to the Ko'olau Poko Community Sustainable Plan.
