Testimony in Support of Hawaiian Memorial Park Cemetery Amendment

Aloha Mr. George Atta:

I have reviewed the Hawaiian Memorial Park Cemetery's (HMPC) response to community questions regarding their amendment to the Ko'olau Poko Sustainable Communities Plan.

HMPC has been part of the Windward Community for over 50 years, serviced thousands of Hawaii's families, supported local businesses, and has always acted as a good neighbor in the community. Multiple generations of our ohana reside at the cemetery including my great grandparents, grandparents, uncles and cousins, and we expect that future generations will also be laid to rest there.

On behalf of Mahukona and Chan ohana, I support Hawaiian Memorial and believe they should be granted the amendment to the Ko'olau Poko Community Sustainable Plan. Please let me know if you have any questions or concerns.

Support for Hawaiian Memorial Park Cemetery Amendment

Dear Mr. George Atta:

Information has been provided to me by Hawaiian Memorial Park Cemetery which addresses community questions regarding HMPC's amendment to the Ko'olau Poko Sustainable Communities Plan.

I have reviewed Hawaiian Memorial Park Cemetery's information brochure addressing community questions and appreciate that Hawaiian Memorial has been transparent about their proposed future area for cemetery use. Hawaiian Memorial Park Cemetery has been part of the Windward Community for over 50 years, serviced thousands of Hawaii's families, supported local businesses, and has always acted as a good neighbor in the community.

I support Hawaiian Memorial and I believe they should be granted the amendment to the Ko'olau Poko Community Sustainable Plan.
