Support for Hawaiian Memorial Park Cemetery Amendment

Dear Mr. George Atta:

Information has been provided to me by Hawaiian Memorial Park Cemetery which addresses community questions regarding HMPC's amendment to the Ko'olau Poko Sustainable Communities Plan.

I have reviewed Hawaiian Memorial Park Cemetery's information brochure addressing community questions and appreciate that Hawaiian Memorial has been transparent about their proposed future area for cemetery use. Hawaiian Memorial Park Cemetery has been part of the Windward Community for over 50 years, serviced thousands of Hawaii's families, supported local businesses, and has always acted as a good neighbor in the community.

I support Hawaiian Memorial and I believe they should be granted the amendment to the Ko'olau Poko Community Sustainable Plan.

RE: Support for Hawaiian Memorial Park Cemetery

Dear Mr. Whalen,

I have been informed of the situation in which Hawaiian Memorial Park Cemetery (HMPC) is involved in, regarding the Koolau Poko Sustainable Communities Plan and would like to encourage you to support the proposed plans that HMPC has for expansion of the cemetery.

I am a fourth generation Chinese community member and have many of my ancestors laid to rest at HMPC. I visit there often to pay my respects and to enjoy the beauty of the area in which they rest. HMPC has, for the many decades that I have visited the park, provided a serene, non-intrusive place within the Kaneohe community that is simply put, beautiful.

Yet beyond its beauty is the purpose and service it provides the thousands of families from the Windward area and elsewhere. I would truly hope that I and my descendants have the option to be laid to rest in HMPC when the time arrives, to spend eternity with my other family members. Should HMPC not be allowed to expand beyond the current limits of burial space, this may not be possible.

HMPC has been an excellent community member since its start and deserves the right to continue to serve the people of Oahu for decades to come.

Sincerely,

Tyler Ching

Re: "Ko'olau Poko Sustainable Communities Plan Update", Support for Hawaiian Memorial Park Cemetery Amendment

Aloha Mr. Whalen:

Most of my husband's family is all buried at Hawaiian Memorial Park. We take it for granted that there will always be space for the rest of our family to be buried together, or at least to have a choice to be buried at Hawaiian Memorial Park. Now realize that we may not have a choice to be buried there if they are given an opportunity to expand the cemetery. We heard there are people who oppose the expansion of the cemetery, but maybe they don't have family members buried. We do and we want to be able to have a choice to be buried with our family.

I support the expansion of Hawaiian Memorial Park to ensure that our families can be together. Please support the expansion of Hawaiian Memorial Park.

Re: "Ko'olau Poko Sustainable Communities Plan Update"

Dear Mr. John Whalen,

The attached brochure was provided to me by Hawaiian Memorial Park Cemetery which addresses community concerns regarding HMPC's amendment to the Ko'olau Poko Sustainable Communities Plan.

I have reviewed the attached brochure and appreciate that HMPC has been transparent about their Expansion Project. HMPC has been part of the Windward Community for over 50 years, serviced thousands of Hawaii's local families, supported local businesses, and has always acted as a good neighbor in the community.

I support HMPC and I believe they should be granted the amendment to the Ko'olau Poko Community Sustainable Plan.

Thank you,

Re: "Ko'olau Poko Sustainable Communities Plan Update"
Support for Hawaiian Memorial Park Cemetery Amendment

Dear Mr. John Whalen:

Information has been provided to me by Hawaiian Memorial Park Cemetery which addresses community questions regarding HMPC's amendment to the Ko'olau Poko Sustainable Communities Plan.

I have reviewed Hawaiian Memorial Park Cemetery's information brochure addressing community questions and appreciate that Hawaiian Memorial has been transparent about their proposed future area for cemetery use. Hawaiian Memorial Park Cemetery has been part of the Windward Community for over 50 years, serviced thousands of Hawaii's local families, supported local businesses, and has always acted as a good neighbor in the community.

I support Hawaiian Memorial and I believe they should be granted the amendment to the Ko'olau Poko Community Sustainable Plan.

Re: Koolau Piko Sustainable Communities Plan Update

Dear Mr. John Whalen,

I am a third generation Kaniolu resident. My great grandfather ran the plant that provide water to the windward side of the island.

I believe the expansion of Hawaiian Memorial Park Cemetery is very necessary for the families of Hawaii. My grand mother was one of the first families that purchased plots from HMPA in 1969. She provided for her children, by purchasing plots for them.

This expansion provides the opportunity for my children & grand-children to be buried with their grand parents & great grand parents. We can all be together in one place.

Please approve the expansion for my families.

Thank you,
Nani Kani Kalua

Mr. John Whalen

I support Hawaiian Memorial's expansion. I have family buried there from my great grandmother to uncles, aunts. I would like to be buried there. But I am only 33 years old. By the time I am 80 years old, I don't think there will be any room for me. I support the development because I would like to be there and have my children there with me.

Re: Support For Hawaiian Memorial Park Cemetery:

Dear Mr. John Walea,

Mr. J. Walea, I'm a long resident here in Hawaii for 56 years and I have family, friends, and relatives who are buried at HMPC for many years so, I support you + HMPC for the additional acres at the cemetery. We also have to think about the future for our kids' (children) and our children's children.

Thank you,
