Re: Support for Hawaiian Memorial Park Cemetery

Dear Mr. John Whalen,

I support Hawaiian Memorial Park Cemetery for the expansion!

My family drive to different cemeteries to visit loved ones during Memorial Day, Father's Day, Mother's Day, Christmas & other special events. It takes a lot of time & money and making our visit (crushed) or very short. So, we would like our present generation and future generation to be at one ^{central} place. We like Hawaiian Memorial Park cemetery because of its location & bus accessibility.

Thank you for your consideration!

Aloha,
Diane & Wilfred

Re: "Kō'olawe Pāko Sustainable Communities
Plan Update"

Dear Mr. John Whalen,

I am writing this letter for the support of the organization on the individual area in Hawaiian Premier Park Cemetery. I recently purchased two spaces for myself and my family and still need to purchase more at my family grave. The future for my family is to be together why not the whole family? we do not need more graves with this expansion.

I understand that we as individuals teach our kids all about our ancestors and heritage. We teach "history" to preserve what and where we come from. The future generations will not be able to do that or be a part of that if we shut them down now.

I have fun beautiful landscapes that are of Hawaiian culture and Guamian culture. We need to allow our future generations to see choices and rights also.

Please hear the voices of our future.
Keeping Ohana together and preserving
our history is what we do. Please
allow Hawaiian Premier Park
Cemetery to provide for our future
generations.

Your time and consideration are
greatly appreciated.

Lelela,
J.P. 2013

Re: Support for Hawaiian Memorial
Park Cemetery

Dear Mr. John Whalen

I am a resident here in Kaeohe
for over 20 years. Although I was raised
near Palolo but my Dad is interred at
HMP. As for myself, my mom and my
whole family chose HMP as our
resting place next to my Dad.

HMP has been good caretakers of the
cemetery. They keep the place beautiful
and they provide families a place to stay
together.

Please support Hawaiian Memorial Park
Expansion.

Thank you
WJ

SUBJECT: Support for Hawaiian Memorial Park Cemetery Expansion

Dear Mr. John Whalen:

This letter is submitted to express my support for the expansion of Hawaiian Memorial Park Cemetery and to request for your support of this project as well. Oahu's ever growing population places higher demands on many resources, including that of which is where loved ones who will be passing are to be interred. Cemetery properties available on Oahu are finite and very few if any new cemeteries are being planned or being made available in the near future. The costs for funerals and burials, as many other limited resources, are ever increasing. With the scarcity of plots available, ground burial may become much too expensive for the common family to afford.

With the requested approval for planned expansion of Hawaiian Memorial Park Cemetery, at least a bit more land will be available to inter loved ones – whether family or friends. In addition, open space will be maintained as open space, but sculpted to accommodate family visiting to memorialize and pay their respect to loved ones who passed on. Hawaiian Memorial Park Cemetery will also provide long-term maintenance of Kawa'ewa 'e Heiau and other significant historical sites located on their cemetery land. Hawaiian Memorial Park Cemetery has also demonstrated their commitment and support to those who "serve" by donating land to the state to build the Hawaii State Veterans Cemetery since nearly all, if not all, of ground burial sites at Punchbowl is used. Hawaiian Memorial Park Cemetery also recognizes those who "serve" Oahu's citizens and visitors alike by providing special sections for those firefighters and police officers killed in the line of duty. Is this being done by other cemeteries?

Hawaiian Memorial Park Cemetery (HMPC) has also contributed to the Kaneohe business community by frequenting many of the businesses in the area, and to provide a source of "open space" for many community residents to use their grounds for peaceful exercise activities such as walking or jogging. Would they let you do those kinds of activities at the Pali Golf Course when it is open?

Yes, there may be those who oppose this expansion in the community. Like in many neighborhoods, there are concerns about "not-in-my-backyard" ("nimby") issues. This project, however, is not a landfill, a homeless shelter, a bar, or a strip joint. It is a final resting place for former residents and family members from Oahu. HMPC plans to maintain the park in perpetuity and with dignity. I support Hawaiian Memorial Park Cemetery's expansion project request and believe that HMPC should be granted the amendment to the Ko'olau Poko Community Sustainable Plan. I hope that you agree.

Mahalo & Aloha,

David Kong

re: support for Hawaiian Memorial Park Cemetery

Dear Mr. Whalen,

As a lifelong resident of Hawaii, I know the importance of cemetery space and its availability to all those who are in need to have somewhere for their loved ones to be laid to rest. In 1974, our family needed somewhere for my mom. We were blessed to have Hawaiian Memorial Park to be that special place. Other members of my family and close friends are also there. It is so beautiful, there, among the Koolau's.

I humbly ask for your support, not only for myself, but for all the other families, present and future.

RE: Support For Hawaiian Memorial Park Cemetery

~~Dear~~ John Whalen;

I Have Been w/ Hawaiian Memorial Park Cemetery and Brotherwork Ministry for over 3 years. To be honest if I weren't informed about what is happening, I really don't know if I be involved. Although because I work here I find myself more concerned about the situation. Being in this business and what we go through - People don't really respect us until it really is to late! We see it everyday when someone passes away and the family has no clue what to do or where to go.

Now what's going to happen is all the cemeteries and out of bond - Then we approve the land expansions? That's some ridiculous but it seems people don't believe in planning ahead. That's all we're doing. The expansion will create jobs and job security. It will provide space for people to have their final resting place. I fully support the land expansion and I hope you do to.

Thank you

Jeremiah Hui

Re: Support for Hawaiian Memorial
Park Cemetery

Dear Mr. John Whalen:

I fully support the expansion of
Hawaii Memorial Park Cemetery. I appreciate
their dedication to expand more of our
land to our loved ones for a final resting
place. All of my family is buried
there, and I will have a place of mind
to know that I can continue to have
more of my family members be able to
be buried together, as our family tradition.
I would hate think that in the near
future there would be enough land in
Hawaii to have traditional burials, and that
we would actually have to be flown across the
sea to be buried, that would truly be sad!

Thank you!

Re: "Ko'olau Poko Sustainable Communities Plan Update", Support for Hawaiian
Memorial Park Cemetery Amendment

Aloha Mr. Whalen:

I am a resident of Kaneohe. Although I'm from La'ie and most of my family is
buried in the La'ie cemetery no matter what cemetery you are at it is important for
families to have a choice of where and how they want to be buried. For many of our
families on the windward side, they choose to be buried at Hawaiian Memorial Park
near their loved ones.

Hawaiian Memorial Park has been good caretakers of the 'aina. They keep the place
beautiful and they provide families a place to stay together both in death and in life.
I support the expansion of Hawaiian Memorial Park to ensure that our families have a
choice about where they want to be buried.

Please support the expansion of Hawaiian Memorial Park.

Sincerely,

Dina Martinez

Re: "Ko'olau Poko Sustainable Communities Plan Update", Support for Hawaiian Memorial Park Cemetery Amendment

Dear Mr. Whalen:

I've been involved in the cemetery business for over 27 years. The funeral business is a very emotional one because you are dealing with families during their time of greatest grief. I have helped placed over 1700 people at Hawaiian Memorial Park cemetery and that means I've touched over 20,000 individual family members. These people all wanted to be buried at Hawaiian Memorial Park and their families want to be buried with them. For me, I have a burial plot, but for these many other thousands of families unless Hawaiian Memorial Park cemetery is allowed to expand they won't have the choice of being buried with their loved ones. That's emotional.

I support the expansion because our families matter to us at Hawaiian Memorial Park and we do this expansion for them.

Sincerely,

Mr. Jerome Andrade

Re: "Ko'olau Poko Sustainable Communities Plan Update", Support for Hawaiian Memorial Park Cemetery Amendment

Aloha Mr. Whalen:

My second address is 45-425 Kamehameha Highway, Mount Calvary, plot 419, next to my husband at Hawaiian Memorial Park cemetery. In 1995 my husband was killed in a helicopter crash during a search and rescue mission. He was only 30 years old and we had 3 small children. I was overwhelmed with a sense of loss and grief and could not deal with the funeral arrangements or cost. Hawaiian Memorial Park stepped in and paid for all my funeral services and provided us a burial plot because of their generous and compassionate gift to law enforcement survivors. I couldn't have done it without them.

Borthwick and Hawaiian Memorial Park has a reputation within the law enforcement community, military families and firefighter families of stepping in and helping us cope during these difficult times. They help us bury our husbands with dignity. There are many other law enforcement families that need a place to bury their loved ones in time of grief and sorrow and we ask that Hawaiian Memorial Park be permitted to expand their cemetery so that these families will have a place to bury their loved one with dignity.

Sincerely,

Renise Bayne

RE: SUPPORT FOR EXPANSION AT HAWAIIAN MEMORIAL
PARK CEMETERY

Dear Mr. Whalen,

I am a member of the Jewish Community in Oahu. We are in the process of creating a Jewish section at HMP. HMP staff and management have been extremely helpful and cooperative to bring this long envisioned dream to reality.

We are very concerned about the lack of information, half-truths, and misrepresentation that a handful of people are attempting to present. Approving and having enough burial space for generations to come.

The first refusal by the LUC to allow the expansion was a direct blow to our community.

Re: Hawaiian Memorial Park Cemetery Petition.

My name is Matthew H. Casamina a current resident of Hui O' Pikoiloa in Kaneohe. We currently reside directly below Hawaiian Memorial Park Cemetery. Please accept this written testimony in support of Hawaiian Memorial's petition for rezoning and future cemetery expansion. In 2000 Hawaiian Memorial Park Cemetery developed 8 acres of New Cemetery called Ocean View. With that development our neighborhood's water runoff and flooding were significantly reduced. Flooding concerns can be drastically reduced below the petitioned area with the water retention basins that HMP is willing to construct.

Additionally, the buffer zones that were created and designed with the 2000 development have not affected any view or caused any disturbance in our neighborhood and are directly behind my home. I go on to say that Hawaiian Memorial Park's operational staff is a good neighbor and has acted promptly to any concerns we have had.

Hawaiian Memorial Park Cemetery has offered many benefits to the community including a 10+ acre cultural Preserve with this project and it would be very unfortunate to lose all of the community benefits based on a denial.

Please support HMP's petition.

Sincerely,

Matthew H. Casamina

Re: Hawaiian Memorial Park Cemetery Petition.

My name is Joseph O' Donnell a long time resident of Hui O' Pikoiloa in Kaneohe. We currently reside directly below Hawaiian Memorial Park Cemetery. Please accept this written testimony in support of Hawaiian Memorial's petition for rezoning and future cemetery expansion. I would like to share that the New Year's Eve flood of Dec 31, 1987 was certainly the largest urban legend storm in the last 40 years. The storm center, somewhere over the Koolau ridge between Waimanalo and Kuliouou received over 24 inches of rain in less than 24 hours - the rain gauge maxed out. Coconut Grove in Kailua suffered massive flooding damage resulting in a class action suit against the City. Kahena Street in Hahaione Valley in Hawaii Kai was destroyed by storm water - up to 10+ feet deep channel carved out in some places. I share this with you to explain the flooding issues that exist in our current area. In 2000 Hawaiian Memorial Park Cemetery developed 8 acres of New Cemetery called Ocean View. With that development our neighborhood's water runoff and flooding were significantly reduced. Flooding concerns can be drastically reduced below the petitioned area with the water retention basins that HMP is willing to construct.

Additionally, the buffer zones that were created and designed with the 2000 development have not affected any view or caused any disturbance in our neighborhood. I go on to say that Hawaiian Memorial Park's operational staff has always been a good neighbor and has always acted promptly to any concerns we have had.

Hawaiian Memorial Park Cemetery has offered many benefits to the community with this project and it would be very unfortunately to lose those based on a denial.

Please support HMP's petition.

Sincerely,

Joseph O' Donnell

improving the quality of lives of pets and their people

RE: Ko'olau Poko Sustainability Plan

Aloha Chair Hazama,

I am writing in support of the proposed amendment by Hawaiian Memorial Park to treat cemeteries similar to other open spaces designated as preservation. Hawaiian Memorial has been working Poi Dogs & Popoki (PDP) for over three years now to address the feral cat population at the park. Like other preservation areas, they also face challenges of feral chickens and pigs. But unlike other areas managed by government and/or private land owners, Hawaiian Memorial has acted responsibly and with compassion to address the problem.

At least once a month, PDP hosts a mobile spay/neuter clinic at the park which enables us to support Trap-Neuter-Return (TNR) efforts, a long term humane solution advocated by animal welfare organizations. In return, PDP has successfully implemented TNR to reduce the feral cat population which affects the entire community.

Hawaiian Memorial Park and their staff are good neighbors and have demonstrated a commitment to their community by supporting PDP and The Big Fix. We hope that you look favorably on their proposed amendment.

If you have any questions, please contact me at alicia@poi.dogsandpopoki.org.

Mahalo.

Sincerely,

Alicia Maluafti

Re: Ko'olau Poko Sustainable Communities Plan/Hawaiian Memorial Cemetery's Amendment

Dear Chairman Hazama,

Please accept this written testimony in SUPPORT of the proposed expansion of Hawaiian Memorial Park.

How can one not support this sensible request? Hawaiian Memorial Park has been a contributing member of the Oahu Community for over 50 years. I know from personal experience that the company goes out of their way to offer a nurturing and comfortable place for families to gather and honor their loved ones. It would be a shame for families to no longer be able to have a sacred place for their loved ones or be able to purchase plots as a family so they can all be together, in death as in life.

Hawaiian Memorial Park offers a place of peace and beauty for the entire community. I have heard that there are several he'eiaus on the area for the proposed expansion and that Hawaiian Memorial Park intends to have them maintained and provide safe accessibility. This is an important part of our Hawaiian tradition that must be preserved.

I appreciate your consideration and positive support for this request.

Aloha nui loa,

Linda Herman

Re: Ko'olaupoko Sustainable Communities Plan

Mohi Hazama,

Please accept my letter of support to allow Hawaiian Memorial Park Cemetery (HMC) to further develop their property to provide more interment space for the families of our community.

Being laid to rest after passing in a beautiful and peaceful environment where other family members already are is important to many, including my family. There is fear being away from maximum depth and this situation would hold negative impact for many Oahu families, again, including mine.

The cemetery serves many as a personal place to be with their loved ones who have passed as well as a safe and quiet place to exercise. Yes, many choose our park to find solace.

The issues the community have brought up challenging the expansion have been addressed by HMC to satisfy both parties, for and against. They have always been aware of and respectful of the community, the environment, and the families we serve.

HMC should be allowed to provide for the many generations of the future to have the option of being laid to rest where they choose.

Mohi -

Geo

Re: Ko'olau Poko Sustainable Communities Plan/Hawaiian Memorial Park Cemetery's amendment

Dear Chair Hazama:

Please accept this written testimony in **SUPPORT** of Hawaiian Memorial Park Cemetery's amendment. The Department of Planning and Permitting (DPP) is recognizing the importance of treating cemeteries consistently with other open space uses in land designated "Preservation" by accepting Hawaiian Memorial Park Cemetery's requested amendment for the Ko'olau Poko Sustainable Communities Plan (KPSCP) update. Hawaiian Memorial Park Cemetery is a necessary service in our community and I support the proposed expansion.

Sincerely,

Abraham Bernard

Re: Support for Hawaiian Memorial Park Cemetery

Dear John W. Helms,

I fully support the expansion of Hawaiian
Memorial Park Cemetery. Please allow for the
expansion to be completed. For all families.

Thank You.
