Aloha Commissioners.

I and many Maui residents, especially those in South Maui, ask you to please remain steadfast and to not dismiss the case brought forth by the intervenors and to not permit the landowners to build what they want. Residents don't want unnecessary development.

In addition, it's worth noting that Sarofim has not provided a clear plan of how they intend to develop the property, which appears disingenuous and a sign of disrespect for all concerned, including yourselves.

This project would be a nightmare for us.

In Aloha,  
Nick
