MEMORANDUM IN SUPPORT OF MOTION

I. INTRODUCTION

Petitioners WAILUKU PLANTATION LLC (“Petitioner WP”), EDGAR SOMERA and FAY SOMERA (collectively, “Petitioner Somera”), LARRY S. SKY (“Petitioner Sky”), DAYONG ZHAO and XIU XIANG FANG (collectively, “Petitioner Zhao”), BONG HWA SHI JORDAN, (“Petitioner Jordan”), WENXIAO LIU, (“Petitioner Liu”) and ELISE TRAVIS (“Petitioner Travis”), together with Petitioner WP, Petitioner Somera, Petitioner Sky, Petitioner Zhao, Petitioner Jordan, Petitioner Liu and Petitioner Travis, (the “Petitioners”), move for an order (1) substituting Petitioners for the original petitioner in this Docket, C. Brewer Properties, Inc. (the “Original Petitioner”) with respect to the portions of the original Petition Area (as defined below) designated by TMK Nos. (2) 3-3-001:033, :039, and :016 (portion); (2) 3-4-032:010, :018, and :001 (portion) (the “Piihana Parcel”) owned by the Petitioners as described herein, and (2) bifurcating this Docket and issuing a new docket number for the Piihana Parcel.

Good cause exists for the substitution of the Petitioners for the Original Petitioner with respect to the Piihana Parcel as the Petitioners are the current fee owners of the Piihana Parcel. Moreover, bifurcation is appropriate because the owners of the Piihana Parcel and the Kehalani Parcel (as defined herein below) are not affiliated, do not have related plans of development for the respective parcels, and bifurcation will support just and efficient proceedings before the Land Use Commission of the State of Hawai‘i (the “Commission”). Accordingly, Petitioners respectfully request that the Commission grant their Motion to Bifurcate Docket No. A89-642 (the “Motion”).

II. RELEVANT BACKGROUND

In 1989, the Original Petitioner filed a Petition for District Boundary Amendment to amend the Land Use District Boundary to reclassify approximately 626 Acres situate at Wailuku and Piihana, Maui, Hawai‘i, specifically identified at the time as TMK Nos. (2) 3-5-001:001 (portion) and :017 (portion); (2) 3-4-007:002; (2) 3-3-001:033, :039, and :016 (portion); (2) 3-4-032:010, :018, and :001 (portion) (the “Petition Area”) from the Agricultural District to the Urban District. On January 30, 1990, the Commission issued that certain Findings of Fact, Conclusions of Law, and Decision and Order dated January 30, 1990 (the “1990 D&O”) reclassifying the Petition Area to the Urban District subject to certain conditions specified therein.

The Petition Area is comprised of two non-contiguous parcels, the Piihana Parcel and the Wailuku Project District No. 3, which is comprised of parcels formerly identified as TMK Nos. (2) 3-5-001:001 (portion) and :017 (portion); and (2) 3-4-007:002 (the “Kehalani Parcel”).

The Original Petitioner, through mesne assignments, conveyed the Piihana Parcel and the Kehalani Parcel to Kehalani Holdings Company, Inc. (“Kehalani Holdings”) and Kehalani Mauka LLC (“Kehalani Mauka”). In or around 2013, Kehalani Holdings and Kehalani Mauka conveyed

all of their interest in the Kehalani Parcel to RCFC Kehalani, LLC and all of their interest in the Piihana Parcel to RCFC Piihana, LLC (“RCFC Piihana”).

Then, through a series of conveyances in 2017, 2018, and 2019, RCFC Piihana conveyed the Piihana Parcel to Petitioner WP as follows:

- In 2017, 11.731 acres of the Piihana Parcel identified as TMK Nos. (2) 3-4-032:010, :001 (portion), and :018 (portion).
- In 2018, 41.706 acres of the Piihana Parcel identified as TMK Nos. (2) 3-3-001:016, :033, and :039.
- In 2019, 25.056 acres of the Piihana Parcel identified as TMK No. (2) 3-3-001:105.

Through these transactions, RCFC Piihana conveyed its entire ownership interest in the Piihana Parcel to Petitioner WP.

Following Petitioner WP’s acquisition of the Piihana Parcel, Petitioner WP sold portions of the Piihana Parcel to different landowners. The present ownership of the Piihana Parcel is as follows:

- Petitioner Sky, 0.56 acres, TMK No. (2) 3-4-032:001 (portion)
- Petitioner Somera, TMK No. (2) 3-4-032:018
- Petitioner Zhao, 0.764 acres and 0.833 acres, TMK No. (2) 3-4-032:001 (portion)
- Petitioner Jordan, 0.34 acres, TMK No. (2) 3-4-032:001 (portion)
- Petitioner Liu, 6,727 sq. ft, TMK No. (2) 3-4-032-001
- Petitioner Liu, 0.377 acre, TMK No. (2) 3-4-032-001
- Petitioner Travis, 0.525 acre TMK No. (2) 3-4-032-001

The Piihana Parcel is not yet developed. There are a number of exactions that Petitioner WP must fulfill before it can move forward with development. Petitioner WP continues to make meaningful progress towards developing the Piihana Parcel. Petitioner WP is currently working on obtaining financing for affordable housing units on the Piihana Parcel. Additionally, it is seeking bids for materials and construction for, among other things, offsite roadway

improvements, affordable housing, and construction of a bridge across Iao Stream. In comparison to the Piihana Parcel, the Kehalani Parcel is predominately developed. To date, there are over 1,500 completed residential units on the Kehalani Parcel, including affordable housing units.

III. ANALYSIS

A. SUBSTITUTION OF PARTY

Substitution of the Original Petitioner with the Petitioners is appropriate. HAR section 15-15-71 provides as follows:

Upon motion and for good cause shown, the commission may order substitution of parties, except that in the case of death of a party, substitution may be ordered without the filing of a motion.

The Petitioners respectfully request the Commission order substitution of the parties and recognize Petitioners as formal parties in this Docket as follows:

- substitute Petitioner WP for the Original Petitioner with respect to the Piihana Parcel identified as TMK Nos. (2) 3-3-001:033, :039, and :016 (portion); (2) 3-4-032:010, :018, and :001 (portion), and formally recognize Petitioner WP as a party to this Docket;
- substitute Petitioner Somera for the Original Petitioner with respect to the portion of the Piihana Parcel identified as TMK No. (2) 3-4-032:018, and formally recognize Petitioner Somera as a party to this Docket;
- substitute Petitioner Sky for the Original Petitioner with respect to the portion of the Piihana Parcel identified as TMK No. (2) 3-4-032:001 (portion), and formally recognize Petitioner Sky as a party to this Docket;
- substitute Petitioner Zhao for the Original Petitioner with respect to the portion of the Piihana Parcel identified as TMK No. (2) 3-4-032:001 (portion), and formally recognize Petitioner Zhao as a party to this Docket; and
- substitute Petitioner Jordan for the Original Petitioner with respect to the portion of the Piihana Parcel identified as TMK No. (2) 3-4-032:001 (portion), and formally recognize Petitioner Jordan as a party to this Docket.
- substitute Petitioner Liu for the Original Petitioner with respect to the portion of the Piihana Parcel identified as TMK No. (2) 3-4-032:001 (portion), and formally recognize Petitioner Liu as a party to this Docket.

- Substitute Petitioner Travis for the Original Petitioner with respect to the portion of the Piihana Parcel identified as TMK No. (2) 3-4-032-001 (portion), and formally recognize Petitioner Travis as a party to this Docket.

Good cause exists to substitute the Petitioners for the Original Petitioner with respect to the Piihana Parcel because the Petitioners are the current fee owners of the Piihana Parcel.

B. BIFURCATION OF DOCKET

The Commission has the inherent authority to manage proceedings before it in a just and efficient manner. HAR § 15-15-01. Bifurcation would support just and efficient proceedings before the Commission. A bifurcation is appropriate for the following reasons:

First, although the Piihana Parcel and the Kehalani Parcel originally had a common owner, that is no longer the case. The owners of the Piihana Parcel and the Kehalani Parcel are not related or affiliated entities. Further, the owners of each parcel do not have related plans of development. Bifurcation will allow the respective owners of the Piihana Parcel and the Kehalani Parcel to move forward without being encumbered by unrelated and unaffiliated parties.

Second, bifurcation will allow the Commission to consider the Piihana Parcel separately from the Kehalani Parcel. As discussed above, although the Piihana Parcel is not yet developed, Petitioner WP has been continuously working to develop the Piihana Parcel and obtain the requisite entitlements and financing. Bifurcation will allow the Commission to consider Petitioner WP's proposed development project on its own merits without consideration of the Kehalani Parcel and the development thereon. Bifurcation will thus allow Petitioner WP's project to move forward without unnecessary barriers to success.

Given the substantial differences between development on the Piihana Parcel and Kehalani Parcel, it would be grossly unjust and inefficient for the Commission to consider the two parcels under one docket. None of the parties involved would suffer any prejudice from the bifurcation

as the Petitioners are not moving to amend the conditions applicable to the Piihana Parcel under the 1990 D&O. Petitioners are also not proposing to bifurcate the Docket for each tax map key parcel contained within the Piihana Parcel. By this Motion, Petitioners are merely asking the Commission to bifurcate this Docket and issue a new docket number for the Piihana Parcel.

C. INSULATION FROM ORIGINAL DOCKET

Because the 1990 D&O will continue to affect the Piihana Parcel even if this Motion is granted, the Petitioners request that the Commission confirm in the order that the Petitioners and the Piihana Parcel will be insulated from any decision and/or order that may be issued by the Commission in the original Docket, and likewise that any decision and/or order that may be issued by the Commission under the new docket number shall not affect or apply to any petitioners or property remaining in the original Docket. This will help to clarify that the fate of the Piihana Parcel and the Kehalani Parcel will be determined by the actions of their respective owners, notwithstanding that the parcels may be covered by the conditions of the same 1990 D&O.

IV. CONCLUSION

Based upon the foregoing, the Petitioners respectfully request that the Commission grant the Motion.
