### CONSTRUCTION NOTES:

#### SITE STRUCTURES

**MATERIALS**

- **Concrete**: 1,500 psi
- **Steel**: 60 ksi
- **Wood**: 2 x 6

**Foundation and Floor Details**

- **Foundation**: 12" deep, 28" wide
- **Floor**: 6" thick, 24" wide

**Wall Details**

- **Wall**: 8" thick, 24" wide

**Roof Details**

- **Roof**: 12" deep, 24" wide

**Siding Details**

- **Siding**: 6" deep, 24" wide

**Roofing Details**

- **Roofing**: 12" deep, 24" wide

**Drainage Details**

- **Drainage**: 6" deep, 24" wide

**Electrical Details**

- **Electrical**: 6" deep, 24" wide

**Mechanical Details**

- **Mechanical**: 6" deep, 24" wide

**Plumbing Details**

- **Plumbing**: 6" deep, 24" wide

**Heating Details**

- **Heating**: 6" deep, 24" wide

**Cooling Details**

- **Cooling**: 6" deep, 24" wide

**Fire Protection Details**

- **Fire Protection**: 6" deep, 24" wide

**Sprinkler Details**

- **Sprinkler**: 6" deep, 24" wide

**Interior Finishes**

- **Finishes**: 6" deep, 24" wide

**Exterior Finishes**

- **Finishes**: 6" deep, 24" wide

**Groundwork Details**

- **Groundwork**: 6" deep, 24" wide

**Other Details**

- **Other**: 6" deep, 24" wide

---

#### CONCRETE SURFACE FINISH

Concrete shall be finished to produce a smooth, even surface free from stains, efflorescence, or other deleterious materials. Concrete shall be cured properly to achieve the required strength and durability. Any additional finishing or curing materials must be specified. Formwork and shuttering shall be kept in clean condition.

#### WATER POLLUTION AND DREDGE CONTROL NOTES

- The contractor shall comply with the provisions of Section 3 of this document and all applicable local, state, and federal regulations.
- Water pollution and dredge control measures shall be implemented as required.
- All materials shall be handled and stored in a manner that minimizes environmental impact.
- Any additional pollution control measures shall be specified.

---

#### SIGNED

- **Signature**: [Signature]
- **Date**: 11/14/2017

---

**Note**: This document contains all necessary instructions and specifications for the construction project. All workers shall adhere to these instructions to ensure the project's success.

---

**Table**: End of document.
