Since 2003, Habitat for Humanity Maui has built, renovated or improved **71** homes on Maui and housed over 100 people. Several of these families came directly out of homelessness into a simple, decent home. Some went from substandard housing to a feeling safe once again in their home. We're looking forward to continuing to build on Maui to help our community break the cycles of homelessness and poverty. For additional information on what you can do to help, call us at 242-1140 or check our website at www.habitat-maui.org.

With your help, and the help of other like-minded individuals, Habitat will continue to work in the community, providing a hand up--not a hand out--to struggling families in Maui County.

Thank you again for your gracious gift.

Sincerely,

Sherri K. Dodson
Executive Director
