Dear Mr. Orodener:

**SUBJECT: 2020 ANNUAL REPORT OF HONUA'ULA PARTNERS, LLC
DOCKET NO. A93-689**

The Department of Planning (Department) has reviewed the 2019 Annual Report dated June 18, 2020, relative to Condition No. 18 of the State Land Use Commission Decision and Order. The report notes that although most of the conditions and their individual status has not changed significantly since the previous 2019 report, there has been significant movement in the areas of archaeological and cultural analysis, preservation plan reviews and documentation and improved land planning within the project as a result of those efforts.

The Department continues to Process a Project District Phase II application for the project. The application is on hold pending compliance with certain conditions imposed by Ordinance No. 3554 which must be complied with prior to action on the Project District Phase II application.

Should further clarification be necessary, please contact Current Planning Supervisor Ann Cua at ann.cua@mauicounty.gov or at (808) 270-7521.
