ORDER GRANTING MOTION FOR AMENDMENT
OF FINDINGS OF FACT, CONCLUSIONS OF LAW,
AND DECISION AND ORDER DATED JANUARY 28, 1987

WHEREAS, Huehue Ranch Associates, L.P., a Hawaii Limited Partnership (hereinafter "Petitioner"), successor-in-interest to Huehue Ranch, a Hawaii general partnership, filed on November 20, 1992 its Motion for Amendment of Findings of Fact, Conclusions of Law, and Decision and Order dated January 28, 1987 pursuant to Section 15-15-70 of the Hawaii Land Use Commission Rules.

WHEREAS, the matter having come on for hearing at Kailua-Kona, Hawaii, on February 25, 1993, objections having been made by the Office of State Planning, and no objections having been made by the County of Hawaii Planning Department (hereinafter "County"),

WHEREAS, the Land Use Commission (hereinafter "Commission"), having considered Petitioner's supporting

memorandums and the arguments of the parties, hereby makes the following findings of fact, conclusions of law, and decision and order:

FINDINGS OF FACT

1. On December 16, 1986, and by Order dated January 28, 1987, the Commission approved the reclassification of approximately 666.5 acres under the subject docket from the Conservation District to the Urban District for resort, residential, commercial, and recreational uses (hereinafter "Project"), at Kukio, North Kona, Hawaii, identified as TMK No.: 7-2-04: 5 (por.) and 16 (hereinafter "Property"). The Commission denied approximately .5 acres, which represented an area subject to an ownership and boundary dispute between Petitioner and the State of Hawaii ("STATE"). By Amendment to the Petition dated October 1, 1986, Petitioner had previously withdrawn approximately 8.39 acres of additional land in dispute from consideration.

2. On November 20, 1992, Petitioner filed a Motion for Amendment of Findings of Fact, Conclusions of Law, and Decision and Order dated January 28, 1987 ("Motion").

3. Petitioner's Motion requests that the Commission reclassify, from a Conservation District to an Urban District, an approximate 1.2-acre portion of the Property, as reflected in Petitioner's Exhibit "A-1", that also included a portion of the area in dispute between the Petitioner and the State.

4. In support of its Motion, Petitioner indicated that it has since resolved its boundary dispute with the State of Hawaii in favor of Petitioner with respect to said portion of the 1.2-acre.

5. Petitioner has indicated that the approximate 1.2-acre area will be incorporated into its Project. No structures will be placed in the site.

6. Improvements to this area will focus primarily on extending the hotel landscaping to provide a transition to the adjacent State-owned Conservation District lands presently proposed for park use. A public access walkway will be provided by the Petitioner.

7. Any archaeological feature, contained within the area, will be preserved according to the Archaeological Mitigation Plan approved by the Department of Land and Natural Resources (hereinafter "DLNR").

8. The 1.2-acre site represented a portion of the Property reviewed under the Environmental Impact Statement prepared by Petitioner in May 1986, which was accepted by the Commission by Order dated August 4, 1986.

CONCLUSIONS OF LAW

Pursuant to Chapter 205, HRS, as amended, and the Hawaii Land Use Commission Rules, the Commission having considered Petitioner's motion, supporting evidence and the arguments of the parties, concludes that granting of the

subject Motion is reasonable and non-violative of Chapter 205 HRS, as amended, and the Hawaii Land Use Commission Rules.

ORDER

IT IS HEREBY ORDERED that Petitioner's Motion for Amendment of Findings of Fact, Conclusions of Law, and Decision and Order dated January 28, 1987, be approved.

The approximate 1.2-acre site situate at Kukio, North Kona, Hawaii, Tax Map Key No.: 7-2-04: 5 (por.), and approximately shown on Exhibit "A", attached hereto and incorporated herein by reference, is hereby reclassified from the Conservation District to the Urban District. The 1.2-acre site shall be subject to all conditions imposed in the Commission's Decision and Order dated January 28, 1987.
