WRITTEN TESTIMONY IN SUPPORT OF HOKUA PLACE

Aloha mai kakou,

My name is Milton K.C. Ching, I am Part-Hawaiian, a resident of Kapa'a, Kawaihau, Kauai. My grandparents Ching Kai Chong and his wife Kaai, resided on Lehua Street, in the late 1920's thru the 1930's. They resided approx. 1/2 mile makai of this propose Project.

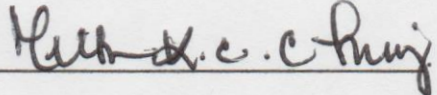

I am retired from the State Department of Land and Natural Resouces(DLNR), Division of Conservation and Resources Enforcement(DOCARE) and a former Kauai Police Officer, County of Kauai, serving 35 1/2 years in Law Enforcement.

Genealogy(Mo'okuauhau)

My "ohana" genealogy included families living both in the ahupua'a of Kealia, Kapaa, Waipouli and Wailua, amongst other places, however those resided in the ahupua'a were Jonah Booth Cummings(1856-1931), John Humphreys Cummings(1874-1921), Joseph Eliza Cummings(1858-1933), Issac K. Kauhoe(1823-1909), A.M. Moke (1871-1942), Ikekumu(w) 1852, Kukaukama 1858, Pakaua(1854-p 1895) and many many more.

IN SUPPORT

I support this Project, this Project will be providing jobs and housing for those that are in need of a home and employment.

Respectfully Submitted, Milton K.C. Ching

Aloha Commissioners,

At the hearing yesterday afternoon, after reading Sierra Club Kauai Group's testimony, I was asked by one of the Commissioners if there was a wetland within the petition area and I replied that there was not.

I found out afterward there is indeed a wetland on the property. I would therefore like to correct my mistake and ask that the record reflect my request.

Thank you very much,

Judy Dalton
