Daniel E. Orodener  
Executive Officer  
State Land Use Commission  
P.O. Box 2359  
Honolulu, Hawaii 96804

Aloha Mr. Daniel Orodener,

I am writing in STRONG OPPOSITION of the AES West Oahu Solar Farm, which is in West O'ahu, on University of Hawai'i West O'ahu Mauka Land's property. The project will utilize 97 acres of land leased from the University of Hawai'i West O'ahu (UHWO). I am in opposition of this project because there were no community public discussion or transparency from AES about this development. These developers need to put out a community notice so that the public affected can be involved with the process of this project.

I hope that you take this letter as a concern because we should be notifying the community of any future developments that will affect those who surround the project area. Should you have any further questions please contact my office by email reply or by phone at (808) 586-6360.

Sincerely,

Senator Kurt Fevella  
State of Hawaii, District 19  
Minority Leader/ Minority Floor Leader
