Dear Affected Landowner,

Thank you for your comments on the City's Important Agricultural Land (IAL) Mapping Project. This is to notify you that we are continuing to finalize the proposed IAL Map based on your comments and concerns and other information available to us. As you may be aware, the recommendation for IAL designation is based on criteria set forth in Section 205-44, Hawaii Revised Statutes. A draft map of proposed land to be recommended as IAL by the DPP and answers to "Frequently Asked Questions" is available online at website the below website: www.mapoahuagland.com.

Once the proposed IAL Map is completed, you may continue to participate in the mapping process by sending your comments to the City Council. The DPP anticipates sending the final proposed IAL Map and report to the City Council for review in 2018. After review of the IAL Map and report by the City Council, the IAL Map and any recommended revisions will be forwarded to the State Land Use Commission for review and final decision-making.

Should you have any questions, please contact Raymond Young of our staff, at (808) 768-8049.
