Re: IAL Designation:  
41-1010 Waikupanana Street  
Waimanalo  
TMK:4-1-10:72

Dear Members of the Land Use Commission,

My family and I strongly object to the City and County of Honolulu designating our property Important Agriculture Land in violation of our rights to due process. There was absolutely no notice regarding this designation from the City much less input from us. The City has failed to follow Hawai'i Revised Statutes Sections 205-44, 205-47, 205-48 and 205-49. Our land is not even an acre and we are not commercial farmers.

We fully agree with Commission members Nancy Cabral, Dan Giovanni, Chairman Jonathan Likeke Scheuer and Dawn N.S. Chang regarding the defective methodology of land selection and notifications to landowners. This process is tantamount to "taking/eminent domain" without due process and is not Pono.

Mahalo Nui Loa,

Sheryl Turbeville
