Experience relaxed luxury in a serene and totally private gated setting

THIS RENTAL IS NOT AVAILABLE UNTIL THE GOVERNOR OF HAWAII HAS AUTHORIZED OPENING which is now through June 30, 2020. You may book reservations that begin July 1, 2020 or later.

Get-away vacations are about treating yourself. They're about restoring the pace, peace and privacy which may be missing

from your everyday life. Most of all, vacations are about rejuvenation.

After searching for many years, the owners found the perfect place to escape their 24x7 working world. Now they would like to share with you, your family, and friends what they've discovered about this corner of Hawaii's paradise.

Hale Hoku Pa'a greets your family and friends with breathtaking views of the Pacific Ocean when you walk through the front door. The view continues to unfold as you make your way through the house to the lanai. From there, looking across the pool you'll enjoy a 180-degree unobstructed view from the island of Maui to the north all the way south to Mauna Kea. Experience relaxed luxury in a serene and totally private gated setting. Designed by the famous architect Lucky Bennett and previously owned by a football legend and actor, this home is situated on 12 acres and approximately 6,000 square feet of living area all on one level. This gated villa is nothing short of paradise offering an exceptional opportunity to unwind at one of the finest estates in the gated community of Kohala Ranch. Located minutes from world-renowned beaches Hapuna and Mauna Kea, championship golf courses and memorable dining, let Hale Hoku Pa'a be home base for your unforgettable Hawaiian vacation!

Enjoy your days sunbathing on the stone deck, swimming in the 60-foot private pool, or just taking in the view from the lanai; everyone's favorite pastime. A spacious and elegant lawn complete with palm trees and landscaped gardens provides ample room

for outdoor activities. You are free to be yourself on 12 acres of privacy! In the evening, there's the nightly viewing of the "only in Hawaii" sunset followed by stargazing from the hot tub. While soaking, look for the North Star, Hoku Pa'a (the Hawaiian name for this home) between the grill and the small palm tree. Hoku Pa'a was the most important navigational star for the early Hawaiian explorers. Allow Hale Hoku Pa'a to help you find your way.

Hale Hoku Pa'a's spacious and open layout encourages airflow, movement and conversation. The great room features the quintessential Hawaiian architecture, a 42-foot retractable patio sliding glass door opens onto the lanai for a seamless transition from indoor to outdoor living. The living room has a comfy, semi-circular couch from which you can watch your favorite movies, sports and shows on the 75-inch flat screen TV complete with surround sound and digital cable. The entertainment center includes a DVD player, iPod and phone plug-in for your music, Wi-Fi access throughout the house and a large collection of movies, games and books. The lanai provides an additional TV for those who would like to watch their favorite game or movie while still taking in the amazing view! And, for music lovers, the lanai also has outdoor speakers.

Designed for flexible use, this home is ideal for couples, groups of friends and multi-generational families. The house has 5 bedrooms and 6.5 bathrooms. Each bedroom incorporates a unique Hawaiian theme, air conditioning, 100% combed Prima cotton sheets, hypoallergenic-down alternative pillows and comforters, hook-ups

for portable devices to the TV's, walk-in showers, Micro Cotton towels and hair dryers. With a total of 5 bedrooms, this home is comfortable for 10 adults with plenty of room for additional smaller children! A portable crib is also available onsite.

Foodies and chefs will enjoy a fully stocked, open-plan, gourmet kitchen. The kitchen comes complete with a Viking refrigerator, a Viking microwave, a six burner Viking

professional gas range with a double oven and a walk-in pantry. For the bartenders, the Kitchen Aid ice maker and a Vitamix blender will make your morning smoothies as well as your afternoon Pina Coladas. For the outdoor chef, a 3 burner Weber barbeque grill complete with sear station awaits. There's a generous supply of dinnerware and service items, including entertainment platters, place mats, cloth napkins, Melamine dishes for poolside dining, glassware and acrylic glassware for poolside beverages.
