This is utterly very undescrivable unacceptable for any children Crossing this Bridge. I am appalled and feel that if something is not done there shall be several fatalities. Something needs to be done immediately. If my child went to this school they would not be going to school.please listen to these parents fears!

I support the walkway under Piilani bridge to save children's lives. I live in Tucson, Az and watching the video of where these kids have to walk is unacceptable. One distracted driver is all you would need to put kids in danger. Can not believe that some people think this is safe? Build the walkway!
