**Subject:** [EXTERNAL] Piilani Bridge

To whom it may concern:

I am writing to support the concerned parents and citizens that are wanting an underpass built to provide safe passage for the students that have to use this area to get to and from school.

It is my understanding that the youth of Hawaii, and many other places, have a difficult enough time making it through school without succumbing to bullies, drugs and a lack of support system. The last thing the children of this area need is to have to encounter the dangers of being inches away from speeding traffic once or twice a day, and fall victim to or witness their friends fall victim to vehicular manslaughter. Which is exactly what the charges will be to the driver, who may or may not have voted to build the underpass.

Take it from a full grown man who works on road construction, people don't care to slow down, until they wished they had. We all know kids aren't always thinking of the dangers, it's not their job. It is however the job of the community to protect the children whenever possible.

The state of Hawaii has some strict gun laws, too strict in my opinion. I pray that the same people who pushed for those laws to "protect the children", take some initiative to put some locals to work, build the underpass at the expense of tourism taxes, and make it safer for those worker's kids to make it to and from school each day.

Thank you for taking the time to read this. Now do the right thing and keep the kids safe.

Sincerely,

Christopher M. Berrington, (a father, a road worker, and a tourist of Hawaii with friends in Kona)

**Subject:** [EXTERNAL] Kihei High School Overpass

I live off Kaonoulu and it is terrifying trying to get on and off the highway right there without a stoplight just one block away from the high school. I can't imagine children having to cross that highway. Do what's right for the kids now. Do what's smart now. An overpass is inevitable. Don't wait for tragedy to occur before being compelled to build it. Value people over money now. Don't risk lives to save money. Avoid disaster. Build an overpass now.

**Subject:** [EXTERNAL] walkway under the Piilani bridges

I support the walkway under the Piilani bridges to save the lives of children. I grew up on Oahu and moved to Illinois 3 years ago. It's a shame to see that things like this are still happening in the islands. The children are the future and this is extremely dangerous.

Aloha,  
Samantha Chilelli
