Subject: [EXTERNAL] Piilani Bridges - Support!!!

The walkway UNDER the Piilani bridges on the Piilani Highway should be mandatory starting TODAY! We can NOT gamble with children's lives! The kids need to get OFF the bridges NOW, and walk underneath them, away from the moving vehicles!

Would you want your child, grandchild, cousin, mother, father, grandparents walking on either bridge twice a day, while distracted motorists speed by? Would you, yourself, dare to walk the bridges next to the traffic day in and day out?

Children are our future and we need to protect them! Sending them to walk next to moving vehicles is like letting them walk into a field of mines, hoping that they won't step on one. Children shouldn't be part of a statistic before something gets done!

Get the kids OFF the road NOW and give them a safe way to walk under the bridges!

You are welcome to put me on your email list and keep me posted on this project!
