

LAND USE COMMISSION  
NOTIFICATION OF LAND USE COMMISSION MEETING  
**January 5-6, 2021 at 9:00 a.m.**

via **Zoom Webinar Virtual Meeting** (to register, see below)

*Governor David Ige signed into law landmark legislation allowing Sunshine Law boards to remotely conduct public meetings, effective January 1, 2022. Act 220, Session Laws of Hawaii 2021, enacts Senate Bill 1034, Senate Draft 1, House Draft 2, Conference Draft 1, which adds a new option to the Sunshine Law that will allow boards to hold remote meetings via interactive conference technology (ICT), such as online meeting platforms like Zoom or WebEx, teleconferences, videoconference, and voice over internet protocol. The new law also amends the existing option for boards to hold a public meeting at two or more physical locations connected by ICT, requires all meeting notices to list the board's contact information for submitting testimony, and requires the Office of Information Practices (OIP) to report on the implementation of remote meetings before the 2023 session.*

*The Commission plans to hold these meetings remotely by interactive conference technology, with Commission members, Staff and Applicants participating simultaneously online. Individuals and members of the public can view and listen to these live, online meetings by registering and using the links below. A registration e-mail will follow thereafter with a link to the day's meeting.*

Members of the public wishing to testify in person are asked to contact LUC staff at 808-587-3824 to make arrangements for accommodation. Members of the public attending in person will be expected to comply with all precautionary health guidelines that may be in place due to the ongoing pandemic.
