Dear Ms. Dacayanan Salvador,

Our Staff Planner, Riley Hakoda, has advised me of your efforts to provide accurate and complete records to the Land Use Commission in regards to Special Permit No. SP21-413 New Century Connections Charter School. Mahalo for your efforts!

This letter is to advise you that per HAR§15-15-37, permission is granted to provide electronic records in lieu of the paper documents that are involved with the record for this docket at the Planning Commission level as Special Permit application SPP No. 12-000138. As you indicated to Mr. Hakoda, the volumes of paper are difficult to transport due to the size of the files and the electronic format is much easier to transport and account for.

We appreciate your concern and attention to make the transfer of documents as seamless as possible.

Sincerely,

Daniel E. Orodener
Executive Officer
