Dear Riley Hakoda,

Thank you for talking with me today. My brother (Lindsey D. Holt), sister (Lisa M. Holt), and I owned a small agricultural lot on the north shore of Oahu and closed on it in March 2021. The kuleana, which is .180 acre of land bearing Tax Map Key No. (1) 5-7-1-2 was sold to Sean F. Ginella and Melissa P. Ginella, co-trustees of the Sean and Melissa Ginella Family Trust.

The white letter from the Land Use Commission didn't have the TMK designation of the lot on it. It was probably on the pink sheet of paper, which I threw away. I took the TMK listing from the Purchase and Sale Agreement.

I hope this helps you. It sounds like you've been talking to many people. Take care and stay healthy.

Best regards,
Glennie K. Burgess
