LUC ACTIONS ON INTERIM BOUNDARY CHANGES AND SPECIAL PERMITS

Chairman Thompson raised the following question and opened it to the floor:

When the Commission makes a decision today, tomorrow, or within the next few months, is this decision binding in terms of the final district

boundaries, or is this decision alterable when the final district boundaries are determined?

Legal counsel stated that under the Law, there is no question this Commission may do so. He stated, however, that this would become a policy matter because once this Commission makes a grant, he could not see how this Commission could go against it in the final adoption of the district boundaries.

Commissioner Burns stated that this Commission should be building the permanent boundaries as it moves along. This Commission would not want to take action that it knows later is going to be reversed. The only reason that this Commission would change its decision would be either on the same evidence, new evidence or something that is unusual.

The general opinion of the Commission was that this Commission should be consistent in its decision and that whatever decision it makes from hereon in concerning the interim boundaries and special permits, it will be included in the establishment of the proposed final district boundaries.

SPECIAL PERMITS PENDING ACTION

The staff members who would be participating in the matters before the Commission were sworn in by the Chairman.

APPLICATION OF JOSEPH CORREIA, JR. (SP(T)63-4), FOR SPECIAL PERMIT TO SUBDIVIDE APPROXIMATELY 39.28 ACRES INTO TWO LOTS IN WAIAKEA HOMESTEADS, WAIAKEA, S. HILO, HAWAII: Described as TMK 2-4-05: 39.

Mr. Gordon Soh gave a background on the area and request involved, and pointed out the location of the area on the map. The staff recommendation was for denial of the request in the interest of preserving the agricultural uses in the Waiakea Uka area and to keep the lot sizes to a standard; and on the following bases:

1. that it was common and not unusual;
2. that it would constitute spot zoning; and
3. that it shows that it is not a hardship situation which would establish a precedence.

Chairman Thompson asked what was meant by the word "common" as stated in the staff's recommendation? The Executive Officer stated that it must first consider, What a Special Permit Is? As we examine this it is commonly known as a variance. A variance procedure is set up to take care of those situations that generally cannot be foreseen or thought of at the moment. A residential use is something that is considered in any kind of districting, because it is one of the most common of all urban land uses. It does not constitute a reason or use that could

APPLICATION OF CLARA KIM (SP(T)63-4), FOR SPECIAL PERMIT TO SUBDIVIDE LAND CONTAINING 22,466 SQ. FT. IN AREA IN KAPAA HOMESTEADS, KAPAA, KAUAI: Described as TMK 4-4-09: 8.

The staff was requested to write to Kauai Planning & Traffic Commission advising them that the matter for special permit by Clara Kim should not have been referred to the Land Use Commission and that the petitioner also be so informed.

APPLICATION OF WILLIAM AND MARION BRANDT (SP(T)63-2), FOR SPECIAL PERMIT TO CONSTRUCT A BEACH HOME TOGETHER WITH THE NECESSARY SUBDIVISION ON A 23,900 SQ. FT. LOT IN MAKENA, MAUI: Described as TMK 2-1-07: 61.

Mr. Richard Mar gave a background on the area and request involved, and pointed out the location of the area on the map. The recommendation of the staff was for denial to subdivide the present lot into separate parcels, and approval of one beach home.

The recommendation of the staff was discussed at length and it was resolved that the State had no jurisdiction in the matter concerning the building of the beach home in the area classified by the Land Use Commission as Agriculture.

The Executive Officer stated that the Commission may override the staff's recommendation on this request instead of the staff deleting portions of its recommendation.

Commissioner Ferry moved that the petitioners' request be denied in its entirety; seconded by Commissioner Ota. The Executive Officer polled the Commissioners. Approval: Commissioners Wung, Inaba, Ota, Wenkam, Burns, Nishimura, Ferry and Chairman Thompson. Disapproval: None.

2. Request that the staff schedule Commission's meetings and hearings to meet the conference on Planning Commissions and Planning Directors in August on Kauai. (No definite date has been set as yet.)
3. Request that the staff write or communicate with the Counties concerning the Land Use district boundaries proposed for July 1964 at its earliest convenience.

The Chairman suggested the following as a possible communication:

"If you are ready to make decisions regarding your own planning and would like to consult with ours, we will be willing to do it, would you?"

4. Earlier follow-ups requested of staff:
 - a. Have the staff notified all planning directors of each county concerning the criteria for selection on whether it would be a special permit or a boundary change?

Reply: No.
 - b. Have the staff had an opportunity to write and mail letters to protestees as suggested on Kauai?

Reply: The staff has answered all letters being received at present, but has not written to those 500 or so that were already on file.
5. The Chairman reported that the Governor has okayed a writer for the Land Use Commission who has already been engaged and who is on the payroll of the Governor's Office. This writer is charged with the responsibility of reviewing all materials of this Commission and to consider all materials that would be useful for public information.
6. Commissioner Wenkam reported that the televised public hearing on the generalized proposed land use district boundaries is firmed up for March 7, 1964, from 8:00 a.m. to 10:00 a.m., at the KGMB TV studio. The program will be taped and rebroadcast. He stated that this is the first of its kind to occur in the United States and that the purpose of this T. V. program is to educate, explain and expose to the public what the Land Use Law is, how it functions and how it applies to a particular area.

(The Executive Officer informed the Commission that the present schedule as circulated will have to be revised to meet the new television public hearing schedule.)

Commissioner Wenkam suggested that the Chairman announce at the beginning of the program that this is only a generalized preview presentation of the major islands of the State, and that detailed hearings will be held on each island at a later time, which time and place will be announced later. He also suggested that the Chairman inform the people that this will be only a two hour show; that it will be continued after the T. V. program, and those who are not able to be heard can be heard then.

Commissioner Wenkam reported that there will be a meeting with the program director and producer of KGMB TV which is scheduled in two weeks, and at which time the Executive Officer, the Chairman and himself will be present.

The following program was outlined by Commissioner Wenkam:

- a. All islands will be included (major islands) and certain amount of time allocated. Maps will be displayed on wall. Motion picture showing particular areas on each island will be shown.
- b. All Commissioners and staff will be there and arranged sitting around a table.
- c. Commissioners are to make presentation of his own island, very briefly stated, and involving only those areas that the public would be familiar.
- d. Invite audience participation. Commissioners were encouraged to invite individuals from his own island to participate in this program and Chairman was instructed that he must be alert and able to recognize these people as participants. (Studio will hold approximately 100 persons.)
- e. Rehearsal will be held on the night of March 6, 1964, before the T. V. public hearing program.

Commissioner Wenkam was requested to write up an agenda and program for this T. V. hearing and have it circulated to everyone.
