ACTION

A79-453 - STATE LAND USE COMMISSION

Chairman Duke announced that since only 6 Commissioners were present, in fairness to all parties involved, he was ruling that action on subject petition be postponed to some future date before the expiration date for action on this petition.

The Executive Officer suggested that action on A79-453 be placed on the Commission's January 30, 1980 agenda, and it was so ordered by the Chairman.

DISCUSSION OF PROPOSED REVISIONS TO THE LAND USE COMMISSION'S RULES AND REGULATIONS

In connection with the proposed revisions to the Land Use Commission's Rules and Regulations, the following material was passed out to the Commission for discussion:

1. Legislative Acts, Amendments to Chapter 205, HRS
2. Proposed Changes to the Land Use Commission's Rules and Regulations

Mr. Furutani reviewed the proposed changes to the Rules, explaining whether they were merely technical corrections, or changes which were mandated as a result of statutory amendments.

During the discussion, there were suggested changes to some of the wording to more truly reflect the legislative intent and to make it clearer in meaning. The inclusion of appropriate wording in the Rules to delegate authority to the Executive Officer to make boundary interpretations was also brought up. Problems associated with criteria and time requirements in disposing of motions for defective filing, petition for intervention, request to appear as a witness were discussed. Amendments or revisions to certain requirements under the Special Permit procedure were suggested.

Chairman Duke directed the Executive Officer to prepare the proposed changes to the Rules and Regulations as discussed today for the Commission's review.

The meeting adjourned at 12:05 p.m.
