C&C OF HONOLULU- FINAL COMMENTS

Chair Scheuer called Ms. Apuna to provide the City and County’s final arguments.

Ms. Apuna addressed some of the concerns brought up during public testimony and suggested that this could be brought back to the Legislature without stopping the process and moving forward.

Commissioner Chang, Wong, Cabral, Ohigashi, Giovanni and Aczon had questions and comments for Ms. Apuna relating to:

- DPP’s likelihood of taking this back with the collaboration of the Farm Bureau
- remanding and funding the redo of the process through legislation
- sending IAL back to the Legislature
- the Commission’s options for deliberation
- landowners’ option to voluntarily designate their land as IAL
- Renewal energy projects on IAL land
- Providing closure to property owners

Chair Scheuer had concerns with the gap of time passed between the final IAL report and the petition to the LUC; the legal requirement from the City to reach out and clear the misinterpretations from the public; and the City’s lack of sympathy to landowner’s emotional stress.

Chair Scheuer declared recess at 1:42 p.m. and reconvened the meeting at 1:52 p.m.

Chair moved to Final Comments from OPSD and DOA.

OPSD FINAL COMMENTS

Ms. Kato provided OPSD’s final comments and stated that OPSD believed that the City met the requirements for the development and submission of the recommendation for IAL. She also agreed with Ms. Apuna that if this matter is remanded back to the City, then it should be made clear what actions are needed to meet the requirements.

Commissioners Wong and Chang voiced their concerns with the lack of information to address the landowners’ worries and the role of the government to reassure the community and hear the sentiment of the people.
Commissioner Giovanni requested clarification from Ms. Kato on what prompted DOA the recommendation of excluding parcels less than 2 acres.

Chair Scheuer asked Ms. Kato to defend the idea that the 4-year gap met the criteria of reasonable notice to landowners.

**DOA FINAL COMMENTS**

Mr. Yamamoto stated that DOA supported the County’s submittal. He then added that in DOA’s recommendation, the 2 acres lot minimum seemed to be a reasonable suggestion due to the current County’s zoning.

Commissioner Giovanni asked about the viability of a very easy “opt out” option from the IAL designation for small farmers.

**FORMAL DELIBERATIONS**

Chair Scheuer described the process of deliberations and confirmed with all the Commissioners by a roll call that they were prepared to deliberate on this matter.

Commissioner Wong, Giovanni, Ohigashi and Aczon had questions and comments about the options that the Commission had for deliberations.

Discussion ensued to determine what actions could be taken after the Commission’s decision if they were to accept the City’s recommendation.

Commissioner Chang referred to AG’s opinion to the LUC.

Mr. Morris provided clarification on that the LUC would be tasked with an independent review of the criteria as well as to determine what level of due process to individual landowners. Mr. Orodenker agreed.

Commissioner Wong made motion to remand the IAL recommendation back to the County because of the 4-year gap, due process, community outreach, general misinformation about IAL and the need to take it back to the Legislature to make it a funded mandate.

Commissioner Ohigashi seconded the motion.

Commissioner Chang opined that the City met the reasonable notice initially, but the gap of time created a legal deficiency. She also provided pointers to the City for mail notifications, community outreach, consultation with other organizations and developing City’s incentives.
Commissioner Giovanni supported the motion and commented on the importance of having a disclosure document on all real estate transactions about the IAL designation, a simple opt in or opt out process and the preparations of incentives before option of opting in or out.

Commissioner Ohigashi spoke to the motion and emphasized the issue with approving special permits on IAL land.

Commissioner Giovanni requested collaboration from DPP and others to take it back to the Legislature and thanked DPP efforts.

Commissioners Aczon, Cabral, Okuda, Giovanni, Chang and Chair Scheuer provided their comments in support of the motion.

Chair Scheuer asked Mr. Orodenker to read the motion and to poll the Commission. By a roll call the motion to remand to the City and County’s its recommendation for IAL passed unanimously with 7 affirmative votes.

There was no further business to discuss. Chair Scheuer adjourned meeting at 3:23 p.m.
