Subject: [EXTERNAL] IAL

Hi my name is Valentino De Ocampo I was notified that my property in Waianae, O'ahu is within the boundary's of land recommend for designation as important agricultural land (IAL) by the city and county of Honolulu. I was also notified that I am able to submit a testimony to opt out of being an IAL but was not given an email or address for me to send in my testimony. I was also not given the requirements of why my property is eligible to be designated as an IAL. Are you able to provide me with the email that I need to send my testimony into and the requirements of why my property is eligible to be designated as important agricultural land (IAL)?
