Dear Mr. Park:

In accordance with your letter request dated September 13, 1965, the Land Use Commission has reviewed the matter of the present inclusion of your lands within the Urban District (TMK 9-1-12: 17).

Upon the staff's recommendation, the Commission voted to adjust the district boundary to include your parcel within the Agricultural District since this appeared to be the original intent of the Commission, and since your lease, which was in effect prior to establishment of the district boundaries, mandates an agricultural pursuit according to your testimony.

Very truly yours,

GEORGE S. MORIGUCHI
