Re: Proposed Subdivision - Lanikai, Poopoo Place  
Tax Map Key: 4-3-02: 1

Dear Mr. Skrivanek:

On January 28, 1966, the Land Use Commission ruled that the owners of the subject parcel were entitled to develop the makai portion of their lands (see attached map) for urban purposes.

However, the subdivision is subject to review and approval by the Department of Land and Natural Resources.

Very truly yours,

GEORGE S. MORIGUCHI  
Executive Officer
