

**600 ft. makai**

**430 ft. makai**

**the Property**

**SLUD line 300 ft. mauka  
does not follow r.r.**

**July 18, 1969 map H-65 - see next page for April 30, 1969 proposed district line. All that changed was the dashed line on the proposed map became a solid line on the approved map. This is the same that happened to the maps below the City of Hilo**
