Dear Ms. Fukuda:

SUBJECT: FILING OF ANNUAL REPORT FOR LUC DOCKET 92-380 AND COMPLIANCE REPORT FOR COUNTY SPECIAL USE PERMIT, PU'UNENE QUARRY AT PULEHUNUI, WAILUKU, MAUI, HAWAII; TMK(S): 3-8-004:001 (POR.) AND 002 (POR.); TMK(S) 3-8-008:001 (POR.) AND 031 (POR.) (SP92-380) (SUP1 91/0013) (CUP 2006/0002)

The Department of Planning (Department) is in receipt of the above submittal dated August 31, 2010. The reports were submitted in order to satisfy Condition No. 11 of the SUP and Condition No. 5 of the CUP, and following initial review, we offer the following comments:

1. In order to facilitate future review, when submitting Compliance Reports, please list out each condition exactly as written, prior to providing your response, rather than simply referring to the approval, or other reference such as "the permittee concurs with the condition;" and
2. We were unable to locate an electronic record of annual Compliance Reports, as required by Condition No. 11 of the SUP, having been submitted for the years 2007, 2008, or 2009. Please provide evidence that said reports were submitted by providing a copy of the Department's approval letter.

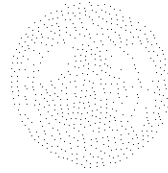

Thank you for your cooperation. If additional clarification is required please contact Staff Planner Livit Callentine at livit.callentine@mauicounty.gov or at (808) 270-5537.

Sincerely,
