Dear Mr. Church and Ms. Hildal:

On Friday April 22, 2022, the Commission received your letter and request for postponement of your scheduled hearing set for Wednesday April 27, 2022. You asked the Commission to postpone the hearing in order to have an opportunity to present your case fairly and in the manner you had prepared to present the facts of the case.

On Monday April 25, 2022, the Commission cancelled the April 27 meeting due to inconsistent notice requirement issues.

The Commission has rescheduled the hearing on your Motion for Reconsideration for May 19, 2022 to be held at the University of Hawai'i – Hilo campus. An agenda with the particulars will be going out this week. We believe this three-week pause should provide you with ample time to prepare your case. As to the questions and issues raised in your request for postponement and earlier Motion to Reconsider; you are free to raise and address them before the Commission at the hearing.

Sincerely,

Daniel E. Orodener

Executive Officer
