1 **COMMISSIONER SCHEUER:** Aloha mai kakou.
2 Good morning. This is the September 17th, 2021, Land
3 Use Commission meeting, which is being held using
4 interactive conference technology linking
5 videoconference participants and other interested
6 individuals of the public via the Zoom Internet
7 conferencing platform in order to comply with the
8 state and county official operational directives
9 during the ongoing COVID-19 pandemic.

10 Members of the public are able to view the
11 meeting via the Zoom webinar platform.

12 Everybody, speak slowly and clearly and
13 identify yourselves for the record. We're taking the
14 transcripts from the record of this Zoom meeting, so
15 it really helps if you do that. In addition, keep in
16 mind we're recording this, so that if you're
17 participating, you're being recorded. If you don't
18 want to be recorded, you should leave the meeting
19 now.

20 In addition, keep in mind that since we're
21 all accessing this meeting via our own personal
22 digital devices, sometimes there's interruptions to
23 connectivity. If this happens, please let us know
24 and be patient as we try to restore connectivity
25 during the pandemic.

1 For any members of the public who are
 2 accessing this meeting via telephone rather than
 3 Zoom software, you may during the portions of the
 4 meeting where public testimony may be allowed, use
 5 *9 to raise your hand or lower it or *6 to ask to be
 6 unmuted.

7 Finally, we take breaks from time to time,
 8 but we expect this meeting to last only until 10
 9 a.m., when it will be adjourned.

10 My name is Jonathan Scheuer. I currently
 11 have the pleasure and honor of serving as the Land
 12 Use Commission Chair. With me, Commissioner Edmund
 13 Aczon, Gary Okuda, our Executive Officer Daniel
 14 Orodenecker, Chief Planner Scott Derrickson, Chief
 15 Clerk Riley Hakoda, our Deputy Attorney General
 16 Julie China, our Program Specialist Natasha Quinones
 17 are on the island of O'ahu.

18 Commissioner Nancy Cabral represents
 19 Hawai'i island. Commissioner Lee Ohigashi represents
 20 and is on Maui, and Commissioner Dan Giovanni
 21 represents and is on the island of Kaua'i. We
 22 currently have eight seated commissioners of a
 23 possible nine. Commissioners Wong and Chang are
 24 excused from today's meeting.

25 Our first order of business will be

1 deferred, which is adoption of the September 8th
2 through 9th, 2021, meetings minutes.

3 Our next order of business is the
4 tentative meeting schedule. Mr. Orodenker?

5 **MR. ORODENKER:** Thank you, Mr. Chair.

6 September 22nd's meeting has been
7 postponed to the --

8 **COMMISSIONER SCHEUER:** Hold on. We cannot
9 hear you.

10 **MR. ORODENKER:** September 22nd's meeting
11 is currently taken off calendar. On September 23rd,
12 we will be meeting to take up the Waikapu properties
13 matter. On October 13th, we will be taking up Kihei
14 High School and the Hokuao 201H Project. On October
15 14th, we have set aside an IAL desecration matter.

16 **COMMISSIONER SCHEUER:** Hold on. Sorry, Mr.
17 Orodenker, with the other noise in your room, that
18 last couple of sentences I could not catch.

19 **MR. ORODENKER:** Okay. On October 13th, we
20 will be taking up the Kihei High School matter and
21 the Hokuao 201H matter. On October 14th, we have the
22 O'ahu IAL matter. On October 27th, we have -- once
23 again have the Hokuao matter, and October 28th is
24 currently set aside for IAL matters.

25 On November 10th, we will be completing

1 the Hokuao 201H Project. We will not be holding a
 2 meeting November 11th, as that is Veterans Day. On
 3 November 24th, we will adopt the order on the Hokuao
 4 matter, and November 25th is Thanksgiving.

5 On December 8th, we will take up the
 6 airport hotel matter on Maui, as well as December
 7 9th. December 22nd and 23rd are at the commission's
 8 pleasure. And that's through the end of the year.

9 **COMMISSIONER SCHEUER:** Thank you, Mr.
 10 Orodenker. It would be helpful if a copy of that
 11 could be emailed to the commissioners.

12 Commissioner Giovanni, you have a
 13 question?

14 **COMMISSIONER GIOVANNI:** I do.

15 So on October 13th, Mr. Orodenker, I don't
 16 know if you saw my note, I'll be on the East Coast,
 17 and I need to chair the session on the Kihei High
 18 School, and it's pretty difficult for me. Is there
 19 any opportunity to move that to the 15th? If not,
 20 I'll have to work magic to be able to serve in that
 21 chairmanship capacity on the 13th.

22 **MR. ORODENKER:** We can actually poll the
 23 commissioners and see if that's a possibility. If
 24 so, we will adjust the calendar and move the 13th
 25 matters to the 15th.

1 **COMMISSIONER GIOVANNI:** Thank you for that
2 consideration. I would appreciate it.

3 **MR. ORODENKER:** You're welcome.

4 **COMMISSIONER GIOVANNI:** I'll be in New
5 York on the 13th. I'm flying all day home on the
6 14th, and I'm free on the 15th.

7 **MR. ORODENKER:** We will do our best to
8 accommodate that, Vice Chair Giovanni.

9 **COMMISSIONER GIOVANNI:** Thank you.

10 **COMMISSIONER SCHEUER:** Thank you. Can I
11 ask that Mr. Derrickson, Ms. Quinones, or Mr. Hakoda
12 to make me co-host so I can lower meeting hands and
13 otherwise control the meeting?

14 Any other questions for Mr. Orodenker
15 about our schedule, commissioners?

16 Seeing none, our next agenda item is the
17 adoption of the order for Docket No. SP21-412, a
18 special use permit application for the Mahi Solar
19 Project for an approximately 120-megawatt
20 alternating current solar and energy storage
21 facility located at Kunia, O'ahu. TMKs on the island
22 of O'ahu numbered as follows: 9-2001, a portion of
23 Lot 20, and 9-2004, a portion of Lot 3, a portion of
24 Lot 6, a portion of Lot 10, and a portion of Lot 12.

25 The commission last heard the matter on

1 September 9th via Zoom meeting.

2 Mr. Hakoda or Mr. Derrickson, have there
3 been any written testimony submitted on this matter?

4 **MR. HAKODA:** Yes. This is Riley. No
5 written testimony, but some informational material
6 that was requested was submitted by Ulupono -- I'm
7 sorry, I don't remember the name of the initiative.

8 **COMMISSIONER SCHEUER:** Ulupono Initiative?

9 **MR. HAKODA:** Ulupono Initiative.

10 **COMMISSIONER SCHEUER:** And is that posted
11 or will be posted to the website?

12 **MR. HAKODA:** I circulated the email
13 earlier this morning, but I did not have time to
14 post it to the website.

15 **COMMISSIONER SCHEUER:** Okay. Let's do
16 appearances with the -- starting with the
17 petitioner.

18 **MR. SAKUMOTO:** Good morning, Chair. Aloha,
19 commissioners. Randall Sakumoto on behalf of the
20 petitioner Mahi Solar LLC. I apologize. I thought
21 this meeting was at 10:00, so I apologize. I'm not
22 properly dressed, but I thought it would be better
23 to get on the meeting right now.

24 **COMMISSIONER SCHEUER:** Thank you, Mr.
25 Sakumoto.

1 City and County?

2 **MR. PANG:** Good morning, Mr. Chair,
3 members of the commission. Wayne Pang, deputy
4 corporation counsel on behalf of the Department of
5 Planning and Permitting.

6 **COMMISSIONER SCHEUER:** OP?

7 **MS. KATO:** Alison Kato, deputy attorney
8 general for the Office of Planning and Sustainable
9 Development, and Lorraine Maki from the Office of
10 Planning. Thank you.

11 **COMMISSIONER SCHEUER:** Okay. Thank you
12 very much.

13 And you might be relieved, Mr. Sakumoto,
14 that you are better dressed than some people were at
15 the start of this meeting, so -- which was the
16 subject of discussion before we opened things up
17 formally.

18 With that, is there any members of the
19 public who wish to testify on the adoption of the
20 order? If so, please raise your hand using the
21 software function or the *9 function for the
22 individual who is calling in to this meeting. Does
23 anybody wish to testify?

24 Okay. There is a raised hand from phone
25 number 808-222-2826. I'm going to admit this

1 individual into the meeting. Actually, the way it
2 works for a call-in, I'm going to allow them to
3 talk.

4 So aloha and good morning. You've raised
5 your hand, wishing to testify on the adoption of the
6 order on this matter; is that correct?

7 **MR. DELAUNAY:** Yes.

8 **COMMISSIONER SCHEUER:** Okay. Would you
9 please state your name and address for the record?

10 **MR. DELAUNAY:** Okay. It's Christopher
11 Delaunay with Pacific Resource Partnership, and
12 we're at 1100 Alakea Street, Honolulu, Hawai'i
13 96813.

14 **COMMISSIONER SCHEUER:** Okay, Mr. Delaunay.
15 Thank you very much. Nice to hear you again. Do you
16 swear or affirm the testimony you're about to give
17 is the truth?

18 **MR. DELAUNAY:** I do.

19 **COMMISSIONER SCHEUER:** Okay. If you could
20 do this in a couple of minutes, that would be great.
21 Please proceed.

22 **MR. DELAUNAY:** Sure. Yes. We did submit
23 written testimony earlier in the hearing process,
24 but Pacific Resource Partnership is in strong
25 support of the Mahi Solar Project, and we

1 respectfully request the commission's favorable
2 decision on the project's Special Permit
3 application.

4 The Mahi Solar Project would provide a
5 valuable opportunity to stimulate our economy both
6 by creating new jobs and by creating infrastructure
7 which can help lower energy costs for consumers and
8 businesses. Construction of the project will support
9 approximately 340 jobs during the peak of
10 construction.

11 And also, when completed, this nearly
12 triple solar project will be capable of generating
13 enough energy to power approximately 37,000 homes on
14 O'ahu, which will advance the state closer toward
15 achieving its goal to generate 100 percent clean
16 energy by 2045.

17 So we hope that you can -- you will have a
18 favorable decision on this project. And thanks for
19 this opportunity to testify.

20 **COMMISSIONER SCHEUER:** Thank you very
21 much, Mr. Delaunay. Please stay available in case
22 there are any questions from the parties.

23 Any questions for the witness, Mr.
24 Sakumoto?

25 **MR. SAKUMOTO:** No questions, Chair.

1 **COMMISSIONER SCHEUER:** County?

2 **MR. PANG:** No questions, Mr. Chair.

3 **COMMISSIONER SCHEUER:** OP?

4 **MS. KATO:** No questions. Thank you.

5 **COMMISSIONER SCHEUER:** Commissioners?

6 Seeing none, thank you very much for
7 making the effort to testify and also illustrating
8 that one can successfully testify by calling in to
9 our meetings. That's appreciate. Thank you very
10 much, Mr. Delaunay. We appreciate it.

11 **MR. DELAUNAY:** Thank you.

12 **COMMISSIONER SCHEUER:** Are there any other
13 individuals of the public wishing to testify on the
14 adoption of the order on this matter? If so, please
15 raise your hand using the Raise Your Hand function
16 on the Zoom software. There's no other individuals
17 who are calling in.

18 Going once, going twice. Seeing none, the
19 commission will now consider adoption of the order.
20 Before we take up any motion, I need to confirm for
21 the record that all commissioners and myself are
22 prepared to participate in these proceedings.

23 Commissioner Cabral, are you prepared to
24 participate? The oral would be great.

25 **COMMISSIONER CABRAL:** Yes. I am prepared.

1 Thank you.

2 **COMMISSIONER SCHEUER:** Thank you very
3 much.

4 Commissioner Okuda?

5 **COMMISSIONER OKUDA:** Yes. I am.

6 **COMMISSIONER SCHEUER:** Commissioner
7 Ohigashi?

8 **COMMISSIONER OHIGASHI:** Yes.

9 **COMMISSIONER SCHEUER:** Commissioner
10 Giovanni?

11 **COMMISSIONER GIOVANNI:** Yes.

12 **COMMISSIONER SCHEUER:** Commissioner Aczon?

13 **COMMISSIONER ACZON:** Yes, Mr. Chair.

14 **COMMISSIONER SCHEUER:** Did I miss any? I'm
15 also prepared as the chair to participate. We will
16 now consider adoption of the order.

17 Commissioner, before you for your
18 consideration, deliberation, and adoption are
19 proposed Findings of Fact, Conclusions of Law, and
20 Decision and Order prepared by the staff as
21 instructed at the last meeting on the docket. Is
22 there any discussion?

23 I will entertain a motion to approve the
24 form of the order for Docket No. SP21-412 Findings
25 of Fact, Conclusions of Law, and Decision and Order

1 for Mahi Solar O'ahu Special Use Permit application
2 for the Mahi Solar Project.

3 Commissioners, what is your pleasure?

4 Commissioner Giovanni?

5 **COMMISSIONER GIOVANNI:** I move that we
6 adopt the order as presented.

7 **COMMISSIONER SCHEUER:** Is there a second?

8 Commissioner Cabral, do you second it?

9 **COMMISSIONER CABRAL:** I would be honored
10 to second that motion.

11 **COMMISSIONER SCHEUER:** Okay. Thank you.

12 Commissioners, we are in discussion. There
13 is a motion on the table made by Commissioner
14 Giovanni and seconded by Commissioner Cabral.

15 Commissioner Gary Okuda?

16 **COMMISSIONER OKUDA:** Thank you, Mr. Chair.
17 I think one issue we need to resolve, which is not a
18 major issue, is should the order contain those
19 statutes referenced at the very end of the revised
20 order in detail, or should there just be a simple
21 paragraph which summarizes the fact that in the
22 conclusions of law, the solar project satisfies the
23 -- the intent and the statutes as passed by the
24 legislature?

25 I had initially suggested that the order

1 contain verbatim quotations from the statute to
 2 show, you know, these -- the very detailed
 3 legislative intent, but I don't have any strong
 4 feelings if, you know, the long verbiage is left out
 5 and a simple paragraph is adopted instead.

6 Conclusions of law, as we know, on appeal
 7 are reviewed de novo, so the appellate court will
 8 look at it without giving us any deference. The
 9 findings of fact, on the other hand, if we make a
 10 determination that we believe in the credibility of
 11 a witness or make findings regarding factual
 12 matters, there's deference given to us.

13 But as far as the conclusions of law,
 14 whether it's the -- you know, my initially suggested
 15 long form or a short summary, I -- I don't have any
 16 strong feelings one way or the other. I -- I don't
 17 know what everyone else thinks.

18 **COMMISSIONER SCHEUER:** Perhaps -- well, so
 19 I might need a little guidance from our executive
 20 officer on how to handle this discussion of adoption
 21 of the order.

22 Mr. Orodenker?

23 **MR. ORODENKER:** I think that if -- if -- I
 24 guess the proper thing to do here is under Robert's
 25 Rules -- and, Ms. China, you can stop me if I'm

1 wrong -- is for Commissioner Okuda to make a
2 proposed amendment to the motion that's on the floor
3 for discussion purposes, and if that proposed
4 amendment fails, then we move with the original.

5 **COMMISSIONER SCHEUER:** Okay.

6 **MR. ORODENKER:** If the proposed amendment
7 succeeds, then you will put that in the motion.

8 **COMMISSIONER SCHEUER:** Thank you.

9 Ms. China?

10 **MS. CHINA:** That is correct. You should --
11 somebody should propose to amend what's on the
12 floor, and you can go from there.

13 **COMMISSIONER SCHEUER:** Thank you, Ms.
14 China.

15 And this confirms what my belief was, was
16 the proper method of considering this, but I wanted
17 to confirm.

18 Commissioner Ohigashi?

19 **COMMISSIONER OHIGASHI:** I'm amenable to
20 having a short version that was placed in it,
21 because in my mind, the statute speaks for itself,
22 and reference to it would be sufficient.

23 If Mr. Okuda can consider just amending or
24 withdrawing -- amending it for the short version, I
25 think that I would be able to support it. And we can

1 go from there, since he seems to indicate that the -
2 - it is the either/or.

3 **COMMISSIONER SCHEUER:** Thank you,
4 Commissioner Ohigashi.

5 So right now, we had a comment offered by
6 Commissioner Okuda. There's no friendly amendment
7 yet to amend the motion.

8 So, Commissioner Okuda?

9 **COMMISSIONER OKUDA:** Thank you, Mr. Chair.
10 I offer a friendly amendment that the form of the
11 order that is adopted is the form that has the
12 summary, a short -- what we would call the short
13 paragraph, and not the long quotations which had
14 been proposed, new paragraphs 19 through 24. So that
15 would not be -- the long version would not be the
16 form of the order that was adopted.

17 I would offer a friendly amendment or a
18 request that the motion be amended to include the
19 just short version, and I -- I understand and agree
20 with Commissioner Ohigashi's analysis.

21 **COMMISSIONER SCHEUER:** To be really
22 explicit on the record of our proceedings,
23 Commissioner Okuda, is there a paragraph to be added
24 that you could read into the record that you are
25 proposing as a friendly amendment to the final

1 order?

2 **COMMISSIONER OKUDA:** Yes, Mr. Chair. I
3 propose that the order that is adopted contain
4 paragraph 19, which reads as follows. And I will
5 quote it.

6 "19. The project is consistent with the
7 legislature's statement of energy policy as set
8 forth in HRS Section 196-1, HRS Section 226-18, and
9 the State of Hawai'i's stated policy to mitigate its
10 greenhouse gas emissions by sequestering more
11 atmospheric carbon and greenhouse gases than the
12 state produces as quickly as practicable, but no
13 later than 2045, pursuant to HRS Chapter 225P, HRS
14 Section 225P-1."

15 **COMMISSIONER SCHEUER:** Okay. Is the movant
16 and the seconder amenable to the inclusion of this
17 language in the adoption of the order?

18 Commissioner Giovanni?

19 **COMMISSIONER GIOVANNI:** The movant -- the
20 movant welcomes this amendment to the motion.

21 **COMMISSIONER SCHEUER:** Commissioner
22 Cabral?

23 **COMMISSIONER CABRAL:** And the seconder
24 welcomes this motion -- this amendment to the
25 wonderful motion. Thank you.

1 **COMMISSIONER SCHEUER:** Okay. So I realize
2 we are in deliberation now. I would have normally
3 only called on any of the parties if there was a
4 specific question, but I want to take the privilege
5 to do so just in case the applicant is -- has any
6 statement or concern or seeking of clarity as to
7 what we were just doing on this amendment.

8 Mr. Sakumoto, does your client have any
9 concern with adding this additional language that
10 simply states that this project is indeed consistent
11 with state policy?

12 **MR. SAKUMOTO:** No concerns, Chair.

13 **COMMISSIONER SCHEUER:** Thank you.

14 With that, we have a motion before us,
15 folks. Who would like to speak to the adoption of
16 the order as moved and amended? Anyone?

17 Commissioner Giovanni?

18 **COMMISSIONER GIOVANNI:** Yeah. I made this
19 motion originally to approve this project as -- as
20 approved with a few conditions that were brought
21 forth by -- by OP. And I continue to be in strong
22 support of this project, and I welcome this
23 amendment from Commissioner Okuda.

24 Although there is not -- has not been a
25 full-blown analysis of the impact on the carbon

1 footprint that this project would have on the carbon
2 footprint of Hawai'i, it's clear in my personal
3 opinion that this one project will have the most
4 impact on that matter of any project I'm familiar
5 with.

6 So it's very much aligned with the intent
7 of energy and climate change policy in the state,
8 and for those reasons, I encourage adoption of the
9 order.

10 **COMMISSIONER SCHEUER:** Further comments.

11 Commissioner Cabral?

12 **COMMISSIONER CABRAL:** I will second that
13 opinion, and I am personally thrilled to be on this
14 commission and to be able to make this step forward
15 to what is, in my favorite words, common sense, that
16 we have all of this sun and that we're able to
17 convert that and help save so much fossil fuels from
18 entering our environment and from having to pay for
19 those fossil fuels.

20 And so I know that there's costs involved
21 with everything, but I'm just thrilled that we're
22 able to be a part of moving our state forward and
23 have approximately 37,000 homes have electricity in
24 such a project. And I welcome having more of these
25 wonderful type of considerations in the future.

1 Thank you.

2 **COMMISSIONER SCHEUER:** Other comments?

3 Seeing none, Mr. Orodenger, would you
4 please poll the commission?

5 **MR. ORODENKER:** Mr. Chair, the motion is
6 to adopt the order with a friendly amendment of the
7 order to be adopted with a short paragraph regarding
8 consistency with the state energy policy.

9 Commissioner Giovanni?

10 **COMMISSIONER GIOVANNI:** Aye.

11 **MR. ORODENKER:** Commissioner Cabral?

12 **COMMISSIONER CABRAL:** Aye.

13 **MR. ORODENKER:** Commissioner Okuda?

14 **COMMISSIONER OKUDA:** Yes.

15 **MR. ORODENKER:** Commissioner Ohigashi?

16 **COMMISSIONER OHIGASHI:** Yes.

17 **MR. ORODENKER:** Commissioner Aczon?

18 **COMMISSIONER ACZON:** Yes.

19 **MR. ORODENKER:** Commissioner Chang and
20 Commissioner Wong are absent.

21 Commissioner Chair Scheuer?

22 **COMMISSIONER SCHEUER:** Aye.

23 **MR. ORODENKER:** Thank you, Mr. Chair. The
24 motion passes with six affirmative votes.

25 **COMMISSIONER SCHEUER:** Thank you.

1 Congratulations to the applicant. We
2 certainly want this project to succeed in both its
3 solar generation storage and agricultural aspects,
4 and we wish you all well.

5 **MR. SAKUMOTO:** Thank you very much, Chair.
6 And thank you, commissioners, very much.

7 **COMMISSIONER SCHEUER:** Thank you.

8 With that, we only have one other item on
9 our agenda, which is an executive session pursuant
10 to HRS Section 92-5(a)(2) to consider personal
11 matters where the consideration of matters affecting
12 privacy will be involved.

13 I've been informed that there is no public
14 testimony, written public testimony, that was
15 received in relationship to this agenda item.

16 Are there any members of the public who
17 wish to testify on this agenda item? If so, use the
18 Raise Your Hand function.

19 I'm going to seek a motion to go into
20 executive session. Is there one?

21 Mr. Ohigashi? Commissioner, is that why
22 you're raising your hand?

23 **COMMISSIONER OHIGASHI:** Yes. I so move to
24 go into executive session to discuss privacy matters
25 indicated by the chair.

1 **COMMISSIONER SCHEUER:** Is there a second?

2 A second made by Commissioner Aczon.

3 You're muted, if you're trying to say

4 something aloud.

5 **COMMISSIONER ACZON:** I just want to

6 clarify there's a separate link for this executive

7 session? Is that what we have to do?

8 **COMMISSIONER SCHEUER:** Yes. There is a

9 separate link that has been emailed to you by

10 Natasha Quinones at 2:52 p.m. on the 15th.

11 **COMMISSIONER ACZON:** Okay. I'll look for

12 it.

13 **COMMISSIONER SCHEUER:** For members of the

14 public who may be attending and appropriately

15 keeping an eye on us, we will go into a difference

16 in meeting for this executive session. We will then

17 briefly come in to this meeting again for public

18 adjournment, but won't conduct any business. So if

19 you wish to leave and go about your day, please feel

20 free to do so.

21 With that, thank you very much. And we

22 will go into executive session.

23 **(WHEREAS, the meeting went into executive**

24 **session.)**

25 **COMMISSIONER SCHEUER:** It's 8:51 a.m. We

1 are back into regular session.

2 If anybody driving down Beretania Street
3 noticed white smoke emerging from the top of the
4 Leiopapa a Kamehameha building, we have happily
5 reached an agreement to continue the services of
6 Daniel Orodener as our executive officer.

7 **MR. ORODENER:** Thank you, Mr. Chair.

8 **COMMISSIONER SCHEUER:** And with that, we
9 have no further business to do, and today's meeting
10 is adjourned. Thank you very much.

11 **(WHEREUPON, the meeting was adjourned.)**
