Mr Almeida,

SUBJECT: 2ND DRAFT ENVIRONMENTAL ASSESSMENT FOR PROPOSED MIKI BASIN INDUSTRIAL PARK, LANA'I, HAWAII, TMX (2)4-9-002:061 (por.)

Thank you for your proposal and the opportunity for us to submit suggestions and comments on the proposed 2nd Draft Environmental Assessment for Proposed Miki Basin, Industrial Park, Lana'i, Hawaii.

We have read the 2nd Draft Environmental Assessment request and have offered some comments and considerations for your convenience below:

- 1.) The project is located approximately 3.5 miles inland from the shoreline, not within a tsunami inundation zone as well as outside of the projected 3.2-foot sea level rise.
- 2.) The proposed project is not anticipated to adversely impact public services such as with Police and Fire protection.

*Utilizing Emergency Management Principles, We Protect All Persons Within
The County of Maui to Achieve Whole Community Resilience*

3.) Since the 2nd Environmental Assessment includes information in regards to natural disasters and addresses the impacts of these occurrences. Maui County Emergency Management Agency agrees with the Natural Hazardous and Mitigation portion of the Assessment. Therefore, MEMA has no further comments.

Thank you for allowing us to make our suggestions to your project. Should you have any questions please feel free to contact Gina Albanese (808) 270-7276, or via email at Herman.Andaya@co.maui.hi.us

Sincerely,

Herman Andaya
MEMA Administrator
