Dear Sir,

I am in receipt of your form letter dated July 21, 1971 in reference to petition A71-288 and the action taken thereon by the Commission.

I believe that the listing of my property was inadvertently omitted from the listing of properties to be retained in the urban district at Naiwa, Molokai.

My property is Tax Map Key M2-5-2-013-032 and consists of 40,469 sq.ft..

I am bringing this to your attention in the assumption that my property is also to be retained in the urban district, and that this was the intent of the Commission.

Very truly yours,

*Thomas H. Cooke*
