County of Hawai'i Windward Planning Commission
101 Pauahi Street, Suite 3

Dear Vice Chairperson Galimba:

Subject: Applicant's Request to Defer Hearing regarding
Special Permit Application PL-SPP-2022-000012
Applicant: Yamada and Sons, Inc.
Request Proposed quarry and related activities on 37.882 acrese
TMK: 2-1-013: 002 (portion); Waiākea, South Hilo

On behalf of the Applicant, Yamada and Sons, Inc., we are requesting that the hearing on the above-described matter scheduled for the Commission's June 2, 2022 meeting be deferred until the Commission's next meeting scheduled for July 7, 2022.

We apologize for this late notice and deferral request, but the Applicant was recently made aware of opportunities to further dialogue and collaborate with the Keaukaha-Pana'ewa Farmers Association regarding their testimony to the Commission dated May 30, 2022. By requesting the deferral of the hearing, the Applicant looks forward to working with their neighbors to build a greater understanding of the project and their needs and concerns, and hopefully finding opportunities that will best serve everyone.

We extend our appreciation to the Windward Planning Commission for their understanding and patience. Please feel free to contact me should there be any questions or need for additional information.

Sincerely,

DARYN ARAI
