RE: Review of State Land Use Commission, Findings of Fact, Conclusions of Law and Decision
and Order (D&O), Docket Number A06-771

Dear Ms. Apuna

We are in receipt of your letter of September 20, 2022 with regard to the above referenced matter. Unfortunately Land Use Commission staff is not able to respond to your letter with any authority. Given the nature of the request, the Commission itself would have to render a decision on the matter you present.

Should the City and County of Honolulu choose to, it may file a petition for a Declaratory Ruling with regard to the matter. In the alternative, the City and County has the authority to render a decision and if a party to the proceedings or an interested party objects to the decision, the party may file a petition for Declaratory Ruling.

We would also like to point out that as there has been substantial commencement of the project, enforcement lies with the City and County.

Very Truly Yours;

Daniel E Orodenerker

Executive Officer
