Dear Vicki:

Mahalo once again for your contribution in making the Fifth Annual Oahu BTC Foundation Scholarship Fund Golf Tournament held at Ewa Beach International on September 9th a tremendous success!

On May 13th of this year, eighteen outstanding high school seniors on Oahu received \$1,000 scholarships as a result of last year's Oahu BTC Golf Tournament. Your involvement and support of our program again ensured us the opportunity to raise scholarships for deserving graduates from the class of 1995.

On behalf of the Hawaii Building and Construction Trades Council Educational and Charitable Foundation, we wish to express our sincere appreciation to you for your most generous donation toward our golf tournament and scholarship fund.

Aloha,

Herbert S. K. Kaopua, Sr.  
BTC Foundation Chairman

Vicki -- Thank you for all your help!

Dear Vicki:

Thank you for your recent support of the Hawai'i Nature Center's annual fundraising event, A Night With Nature. It was a memorable evening for the 450 guests in attendance. We wish you could have been there.

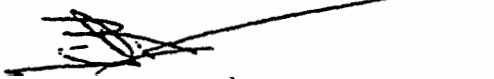

Thanks to your generous \$1,500 donation and the success of our silent auction, A Night With Nature raised \$85,000 for the Hawai'i Nature Center. These funds are already being used to make eye-opening, hands-on environmental experiences available to thousands of children on Oahu and Maui. As you requested, your donation will be used to support the Ewa Wetland program.

We know you are asked to contribute to many organizations and events each year, which makes your support of A Night With Nature particularly meaningful. Thank you for helping the Hawai'i Nature Center continue to provide unforgettable memories for our children so that they can develop the attitudes and values that will lead to a lifetime ethic of environmental stewardship.

Sincerely,
