

include all work performed by the Developer's team (architects, engineers, consultants, contractors and subcontractors) in the development and construction of a non-tourism related project.

Not more than 25% of Petitioner's total job-generation requirement may be satisfied in this manner.

b.\$ Jobs Generated Via Development of Non-Tourism Related Projects

New facilities provide the means and opportunity for the establishment and/or growth of businesses and the generation of new, non-tourism related jobs. Petitioner, therefore, may receive credit for the development of new non-tourism related projects or facilities, either within or outside the Petition Area. Credit for jobs created by such new facilities will be calculated on the basis of the degree of integration of the intended use of the facility with the tourist industry. Credit for one (1) non-tourism related job shall be given for the specified amount of floor space in the following types of facilities:

c. Start-Up Capital, Business Incentives and Job Training

Petitioner may receive one (1) job credit for (i) each \$50,000 invested by Petitioner in a start-up of a non-tourism related business (by way of equity or investment into a loan fund for such business), (ii) each \$25,000 in incentives provided to a new non-tourism related business, and/or (iii) each \$25,000 contributed in training programs for non-tourism related jobs. Petitioner shall consult with OSP to identify investments, incentives and training programs which qualify for credits under this category.

A minimum of 10% of Petitioner's job-generation requirement shall be satisfied in this manner.

d. Earning Job Credits

Credits for jobs generated under subparagraphs a. through c. above, shall not be eligible for satisfaction of this condition unless, within two years after they accrue, they are reported to the LUC in Petitioner's annual report. Job credits shall be considered to have accrued under subparagraph a. when the Developer pays for the labor; under subparagraph b. when the certificate of occupancy is issued or such earlier date as may be approved by the LUC; and under subparagraph c. when the investment is made, the incentive is given, or the job training program is funded.

Petitioner's annual report to the LUC shall discuss in detail its progress in earning job credits. Additionally, Petitioner shall provide OSP with

information concerning the manner in which Petitioner's claim for job credits is calculated as well as written certification by the Developer that all information provided is correct.

Job credits shall be considered earned only upon approval by the LUC. Petitioner may file a motion for approval of job credits with the LUC at such time as may be mutually agreeable between Petitioner and OSP, provided that said motion shall be filed prior to the Petitioner obtaining a building permit for the construction of hotel or hotel/condominium units to which the job credits will be applied.

At the time Petitioner obtains a building permit, Petitioner shall satisfy this condition by depositing cash or posting a bond or a letter of credit, in a form satisfactory to OSP, in an amount equal to the product of \$25,000 multiplied by the number of hotel or hotel/condominium units for which a building permit is issued, less any job credits previously earned. As job credits are earned and applied in satisfaction of this condition, Petitioner may submit a motion to the LUC for the refund of the funds paid to OSP or a reduction of the bond or letter of credit issued in favor of OSP. Five (5) years after the date the building permit is issued, OSP shall have the right to retain cash or make claim on the bond or letter of credit in an amount equal to the product of \$25,000 multiplied by the number of hotel or hotel/condominium units for which the building permit is issued, less any job credits previously earned.

Prior to the expiration of the five-year period, Petitioner may seek an extension of time to satisfy its job-generation requirement. An extension may be granted upon such additional terms as may be appropriate, provided that Petitioner establishes substantial compliance with this condition and specifies the methods, means and time in which it intends to satisfy this condition.

Except for the limitations regarding subparagraphs a. and b. and the 10% minimum required by subparagraph c., Petitioner shall determine the manner in which the remainder of its job-generation requirement may be allocated.
