Subject: [EXTERNAL] OPPOSITION of 'low income housing' Waiehu AG LAND
Date: Sunday, October 9, 2022 12:43:06 PM

Please stop the developers from building on crucial agricultural land.

The future depends on it, we can't keep building there will be nothing left for our keiki and this soil is meant for agriculture. Waiehu is not the place for housing development.

Which you know won't even support the locals here just more transient people. This HAS TO STOP, PLEASE!!!!!!
