Aloha Kakou E Land Use Commision. My name is Charlsie Yayoshi. I'm writing a testimony due to the development that want to develop Affordable Hale's & Apartments. I'm not against Affordable housing & Apartments BUT where they want to build it is a BIG 'Ā'OLE. E 'olu'olu (please) DO NOT CHANGE THE LANDING ZONE FROM AGRICULTURAL TO URBAN.

My ohana lineage goes way back that resided in Waiehu & Paukukalo. It was always Agricultural Land. Please Leave it alone. The reason why it's Agricultural land because of Na Wai 'Ehā (The 4 rivers). The landing Zone should always be kept as Agricultural. Don't take away what's left of the Kanaka Maoli Lands.
I hope you find it in your hearts to NOT CHANGE the Zone from Agricultural to Urban.

Me Ke Aloha,
Charlsie Yayoshi
