Aloha Chair Giovanni and Members of the Commission,

I am Aly and I'm a freshman at Kūlanihākoʻi High School in Kihei. I appreciate you taking the time to reconsider the issue of the improvement Condition imposed by your Commission in 2013. I understand the importance of safety, and I pledge not to cross the highway on foot but to use the transportation provided by the school and my parents.

I am really upset that we are stuck in middle school but our school is already up and perfectly built. It's very important to me that my classmates and I have our own campus and our own identity. We currently have no space for extracurricular activities like volleyball, basketball, soccer, etc. Four buildings are completely ready and we are anxious to go to our campus. We look forward to having banquets, speakers, assemblies, and all school activities.

Please consider those most affected by your decision and amend the 2013 Condition to allow us to safely use our campus while the adults keep deciding about the grade-separated pedestrian crossing.

Mahalo,

Aly  
Freshman  
Kūlanihākoʻi High School
