Aloha Chair Giovanni and Members of the Commission,

I am Asaad, a freshman at Kūlanihākoʻi High School in Kihei. I appreciate you taking the time to reconsider the issue of the improvement Condition imposed by your Commission in 2013.

I want to go to the new campus so we can have more academic practices and more opportunities like clubs and activities and more electives. We want more than 30 kids to be able to join us, and I think we are smart enough to not cross a highway. I understand the importance of safety, and I pledge not to cross the highway on foot but to use the transportation provided by the school and my parents.

Please consider those most affected by your decision and amend the 2013 Condition to allow us to safely use our campus while the adults keep moving forward on the grade-separated pedestrian crossing.

Mahalo,

Asaad
