Aloha Chair Giovanni and Members of the Commission,

I am Chacelen Wong, a freshman at Kūlanihākoʻi High School in Kihei. I appreciate you taking the time to reconsider the issue of the improvement Condition imposed by your Commission in 2013.

I am extremely heartbroken and overwhelmingly disappointed that I am not able to be on my high school campus. I truly see no point in not letting me and my fellow Kūlaninākoʻi classmates use our campus. Our principal, Halle Maxwell, purchased two small school buses to shuttle us across the highway safely. We will use those and none of us will be crossing the highway on foot. I feel we should be able to use our school buses because it would be the same as if we were to be bussed to Maui High School.

For this reason, I think you should reconsider allowing us to use our campus and amend the 2013 Condition while the adults keep moving forward with the grade-separated pedestrian crossing.

Mahalo,
Chacelen Wong
