Aloha Chair Giovanni and Members of the Commission,

I am Chris, a freshman at Kūlanihākoʻi High School in Kihei. I appreciate you taking the time to reconsider the issue of the improvement Condition imposed by your Commission in 2013.

I am really disappointed to still be attending school at Lokelani Intermediate School's campus because we are not allowed to use our campus buildings that are ready. I understand the importance of safety, and I pledge not to cross the highway on foot but to use the transportation provided by the school and my parents. You have lots of adults who don't know me telling you what I am going to do, but I am asking you to listen to me and the other students.

If I don't get to go on the new campus I'm going to get depressed and I won't have the great opportunities that I've always wanted in life.

Please consider those most affected by your decision and amend the 2013 Condition to allow us to safely use our campus while the adults keep talking about the grade-separated pedestrian crossing.

Mahalo,
Chris
