Subject: [EXTERNAL] Kihei High School/Piialani Highway crosswalk.

To Whom it may concern:

It is with grave concern that I send my thoughts regarding this matter.

The safety of our students is paramount. There is no way that a crosswalk across the Piialani Highway is safe. The reality that a crossing overpass was not included during the planning process is inexcusable. We have both ambulatory and nonambulatory students safety and wellbeing to protect.

The current roundabout is not only unsafe for students, it is impractical in maintaining the flow of northbound and southbound traffic. With only two routes in and out of Kihei, Wailea and Makena it is vital to maximize the flow of traffic, not to mention the commute times required by both residents and tourists.

The overpass should be approved and expedited immediately.

Respectively submitted,
