Aloha Chair Giovanni and Members of the Commission,

I am Maya, a freshman at Kūlanihākoʻi High School in Kihei. I appreciate you taking the time to reconsider the issue of the improvement Condition imposed by your Commission in 2013.

I am really heartbroken to still be attending school at Lokelani Intermediate School's campus because we are not allowed to use our campus buildings that are ready. I understand the importance of safety, and I pledge not to cross the highway on foot but to use the transportation provided by the school and my parents.

It's important for me to go to the new school campus because I need more space for playing volleyball during recess. Right now I play on a very small patch of grass and don't even have a net. I would also like to be able to have more school activities like assemblies and dances.

Please consider those most affected by your decision and amend the 2013 Condition to allow us to safely use our campus while the adults keep arguing about the grade-separated pedestrian crossing.

Mahalo,
