Aloha Chair Giovanni and Members of the Commission,

I am Savannah Nolen-Fogarty, a freshman at Kūlanihākoʻi High School in Kihei. I appreciate you taking the time to reconsider the issue of the improvement Condition imposed by your Commission in 2013.

I'm extremely disappointed that I'm not on the new school campus. I feel this way because I really was looking forward to going to the new campus and not having to share a campus with middle schoolers anymore. I understand the importance of safety, and I pledge not to cross the highway on foot but to use the transportation provided by the school and my parents.

Please consider those most affected by your decision and amend the 2013 Condition to allow us to safely use our campus while the adults keep arguing about the grade-separated pedestrian crossing.

Mahalo,
Savannah Nolen-Fogarty
Freshman
