Aloha, Chairman Giovanni and Members of the Commission,

I am Slater Watt, a freshman at Kūlanihākoʻi High School in Kihei. I appreciate you taking the time to reconsider the issue of the improvement Condition imposed by your Commission in 2013.

I am really disappointed to still be attending school at Lokelani Intermediate School's campus because we are not allowed to use our campus buildings that are ready. Currently being on the Lokelani campus creates many difficulties, including not having enough space to study as well as we could and not having the facilities to play sports and have sports teams.

I understand how vital safety is, and I will not cross the highway on foot but to use the transportation provided by the school and my parents. Please consider those most affected by your decision and amend the 2013 Condition to allow us to safely use our campus while the adults keep arguing about the grade-separated pedestrian crossing.

Mahalo,
Slater Watt
