Aloha,

Please do not open the new High School until the requirement to provide pedestrian access via over or underpass is satisfied. Having kids crossing a 6 lane highway is crazy. Walking through tourists in an area and driving a rental car that they are unfamiliar with is insane. Add a couple of Mai Tai's and disaster becomes even more likely. This requirement has been known and ignored for 10 years. Do not open the High School until the requirement is met.

Best regards,  
Troy and Diana Jones  
154 Ahekololo Place  
Kihei, HI
